# QuickLogic Corporation Announces Partial Exercise of Over-Allotment Option Related to Public Offering of Common Stock

SAN JOSE, Calif., July 21, 2020 /PRNewswire/ -- QuickLogic Corporation (NASDAQ: QUIK) ("QuickLogic" or the "Company"), a developer of ultra-low-power multi-core voice-enabled system-on-chips ("SoCs"), embedded FPGA intellectual property, Internet of Things ("IoT"), and endpoint artificial intelligence ("AI") solutions, today announced that it had completed the sale of 141,733 additional shares of common stock pursuant to the partial exercise of the underwriter's option to purchase additional shares of common stock for the purpose of covering over-allotments in connection with the Company's recently announced public offering, resulting in additional net proceeds to the Company of approximately \$461,341 after deduction of underwriting discounts.

During the Company's recent public offering, including the underwriter's partial exercise of its option to purchase additional shares of common stock for the purpose of covering over-allotments, the Company raised an aggregate of approximately \$8.10 million in net proceeds, after deducting underwriting discounts and commissions and our expenses related to the offering. After giving effect to the shares issued in the offering, the Company now has 11,055,490 shares outstanding.

Oppenheimer & Co. Inc. acted as the sole underwriter for the Offering.

The Offering was made pursuant to a shelf registration statement on Form S-3 (File No. 333-230352) that was declared effective by the Securities and Exchange Commission (the "SEC") on March 29, 2019. The preliminary prospectus supplement related to the Offering was filed with the SEC on June 17, 2020, and the final prospectus supplement and accompanying prospectus was filed with the SEC on June 18, 2020. Copies of the final prospectus supplement and accompanying base prospectus may be obtained by visiting EDGAR on the SEC's website at [www.sec.gov](http://www.sec.gov), or by contacting Oppenheimer & Co. Inc., Attention: Syndicate Prospectus Department, 85 Broad Street, 26th Floor, New York, NY, 10004, by telephone at (212) 667-8563, or by email at [EquityProspectus@opco.com](mailto:EquityProspectus@opco.com).

**This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities in the Offering. There shall not be any sale of these securities in any state or jurisdiction in which such offering, sale or solicitation would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.**

## About QuickLogic

QuickLogic is a fabless semiconductor company that develops low-power, multi-core semiconductor platforms and Intellectual Property ("IP") for Artificial Intelligence ("AI"), voice and sensor processing. The solutions include an embedded FPGA IP ("eFPGA") for hardware acceleration and pre-processing, and heterogeneous multi-core SoCs that integrate eFPGA with other processors and peripherals. The Analytics Toolkit from the Company's wholly-owned subsidiary, SensiML Corporation, completes the end-to-end solution with accurate sensor algorithms using AI technology. The full range of platforms, software tools and eFPGA IP enables the practical and efficient adoption of AI, voice and sensor processing across mobile, wearable, hearable, consumer, industrial, edge and endpoint IoT.
