Inpixon's The CXApp Wins 2021 FacilitiesNet Vision Award for Office Reopening Solution

Industry Award Coincides With Company's Growing Commercial Success

PALO ALTO, Calif., Aug. 20, 2021 /PRNewswire/ -- Inpixon (Nasdaq: INPX), the Indoor Intelligence™ company, today announced [The CXApp](#) smart office app has won a [FacilitiesNet Vision Award](#) in the Reopening category. The Vision Awards honor innovation and excellence in products that contribute to the efficient and profitable operations and management of institutional and commercial buildings as judged by an independent panel of facility executives.

Through native capabilities and an extensive suite of 3rd-party [integrations](#), Inpixon's location-aware employee experience app delivers a connected workplace to support return-to-work initiatives, occupancy management, workforce safety, and engaging interactions in the work environment, including but not limited to:

- Desk and room booking
- Location search and navigation
- Beacon and sensor-based communications
- Employee density monitoring
- Health questionnaire/assessments
- Contactless interactions

- Real-time company news and notifications

"It is an honor to be recognized by FacilitiesNet and their panel of experts," noted Nadir Ali, CEO of Inpixon. "This Vision Award for the Reopening category complements last quarter's [Best Smart Building Solution for Return to Work Award](#) win and adds to our impressive list of industry recognition. The award also coincides with our growing commercial success, illustrated by our most recent [quarterly results](#), and string of new contracts across a variety of industries, such as [finance](#), [social media](#) and [entertainment/media](#). This award further validates our belief that The CXApp is at the forefront of digital employee engagement and workplace readiness. With our CXApp smart office app we provide greater support to enterprises for managing on-site capacities with complex re-entry requirements, as well as help employees execute their work activities and engage with their colleagues, in order to ensure a productive, satisfied and safe workforce."

About Inpixon

Inpixon® (Nasdaq: INPX) is the innovator of Indoor Intelligence™, delivering actionable insights for people, places and things. Safe Harbor Statement

All statements in this release that are not based on historical fact are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and the provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. While management has based any forward-looking statements included in this release on its current expectations, the information on which such expectations were based may change. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of risks, uncertainties and other factors, many of which are outside of the control of Inpixon and its subsidiaries, which could cause actual results to materially differ from such statements. Such risks, uncertainties, and other factors include, but are not limited to, the fluctuation of economic conditions, the impact of COVID-19 on Inpixon's results of operations and global supply chain constraints, Inpixon's ability to integrate the products and business from recent acquisitions into its existing business, the performance of management and employees, the regulatory landscape as it relates to privacy regulations and their applicability to Inpixon's technology, Inpixon's ability to maintain compliance with Nasdaq's minimum bid price requirement and other continued listing requirements, the ability to obtain financing, competition, general economic conditions and other factors that are detailed in Inpixon's periodic and current reports available for review at sec.gov. Furthermore, Inpixon operates in a highly competitive and rapidly changing environment where new and unanticipated risks may arise. Accordingly, investors should not place any reliance on forward-looking statements as a prediction of actual results. Inpixon disclaims any intention to, and undertakes no obligation to, update or revise forward-looking statements.
