XTI Aerospace to Present at the Spring MicroCap Rodeo Conference on June 6

ENGLEWOOD, Colo., May 29, 2024 /PRNewswire/ -- XTI Aerospace, Inc. (NASDAQ: XTIA) ("XTI" or the "Company") today announced that it will be participating in the Spring MicroCap Rodeo Conference being held Thursday, June 6, 2024, in New York City.

Scott Pomeroy, chief executive officer of XTI, is scheduled to present at 10:00 a.m. Eastern Time on Thursday, June 6. The presentation will be webcast live and available for replay at <https://www.webcaster4.com/Webcast/Page/3045/50688> as well as on the Company's investor relations section of the website at xtiaerospace.com/calendar.

Management will also be hosting 1x1 meetings throughout the conference with approved investors.

Information and registration for the conference can be found here at [MicroCap Rodeo](#).

About the MicroCap Rodeo Conference

Microcap Rodeo Conferences are run by money managers and investors for money managers and investors. The "Spring into Summer Conference" will be hosted live in New York City on Thursday, June 6th. The executive management teams of approximately 25+ MicroCap companies across a wide swath of industries will be participating in the conference. Investors will be able to harness stock ideas for their portfolios by participating in group presentations, as well as 1x1s, in order to garner an understanding into the key value drivers and potential trends for the 2H of 2024 and beyond. There will also be industry guest speakers as well as networking opportunities throughout the conference. For more information, please contact info@microcaprodeo.com

About XTI Aerospace, Inc.

XTI Aerospace (XTIAerospace.com) is the parent company of XTI Aircraft Company (XTIAircraft.com), an aviation business based near Denver, Colorado, currently developing the TriFan 600, a fixed-wing business aircraft designed to have the vertical takeoff and landing (VTOL) capability of a helicopter, speeds of 345 mph and a range of 700 miles, creating an entirely new category – the vertical lift crossover airplane (VLCA). Additionally, the Inpixon (inpixon.com) business unit of XTI Aerospace is a leader in RTLS technology with customers around the world who use the Company's location intelligence solutions in factories and other industrial facilities to help optimize operations, increase productivity, and enhance safety. Cautionary Statement Regarding Forward-Looking Statements

This press release contains certain "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act, and Section 21E of the Exchange Act. All statements other than statements of historical fact contained in this press release, including without limitation, statements the products under development by XTI, the advantages of XTI's and RTLS's technology, the combined company's customers, plans and strategies are forward-looking statements.

Some of these forward-looking statements can be identified by the use of forward-looking words, including "believe," "continue," "could," "estimate," "will," "expect," "intend," "plan," "target," "projects," "will," or the negatives of these terms or variations of them or similar expressions. All forward-looking statements are subject to risks, uncertainties, and other factors which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. All forward-looking statements are based upon estimates, forecasts, and assumptions that, while considered reasonable by XTI Aerospace and its management, are inherently uncertain, and many factors may cause the actual results to differ materially from current expectations. XTI undertakes no obligation to revise any forward-looking statements in order to reflect events or circumstances that might subsequently arise. Readers are urged to carefully review and consider the risk factors discussed from time to time in XTI's filings with the SEC, including those factors discussed under the caption "Risk Factors" in its most recent annual report on Form 10-K, filed with the SEC on April 16, 2024, and in subsequent reports filed with or furnished to the SEC.
