

# Intellinetics, Inc. Reports Second Quarter and Six Month Results

#### Stabilizing Cash

COLUMBUS, OH, Aug. 14, 2020 (GLOBE NEWSWIRE) -- Intellinetics, Inc. (OTCQB: INLX), a cloud-based document solutions provider, announced financial results for the three and six months ended June 30, 2020.

#### 2020 Second Quarter Financial Highlights

- Total Revenue increased 187% from the same period in 2019.
- Software as a Service Revenue increased 8% from the same period in 2019.
- Net Loss of \$282,356 decreased from the same period in 2019.
- Adjusted EBITDA of \$103,974, an improvement of \$267,694 compared to an adjusted EBITDA loss of \$163,720 from the same period in 2019.

#### 2020 Six Month Financial Highlights

- Total Revenue increased 164% from the same period in 2019.
- Software as a Service Revenue increased 11% from the same period in 2019.
- Net Loss of \$928,567 decreased from the same period in 2019.
- Adjusted EBITDA of \$384,264, an improvement of \$839,158 compared to an adjusted EBITDA loss of \$454,894 from the same period in 2019.

#### **Summary – 2020 Second Quarter Results**

Revenues for the three months ended June 30, 2020 were \$1,836,182 as compared with \$640,608 for the same period in 2019. The increase in our professional services and storage and retrieval services revenues is primarily due to the addition of revenues from our subsidiary, Graphic Sciences, Inc., acquired March 2, 2020, and the increase in software maintenance services is primarily due to the addition of revenues from the acquisition of the assets of CEO Imaging Systems, Inc. on April 24, 2020. Intellinetics reported a net loss of \$282,356 and \$473,662 for the three months ended June 30, 2020 and 2019, respectively, representing a decrease in net loss of \$191,306. The decreased net loss was primarily the result of improved operating results as well as lower interest expense, although those improved results were offset to some extent by transaction costs of \$175,673 related to our recent acquisitions. Net loss per share for the three months ended June 30, 2020 and 2019 was (\$0.10) and (\$1.28), respectively.

#### **Summary – 2020 Six Month Results**

Revenues for the six months ended June 30, 2020 were \$3,049,846 as compared with \$1,155,993 for the same period in 2019. The increase in our professional services and storage and retrieval services revenues is primarily due to the addition of revenues from our recently-acquired subsidiary, Graphic Sciences, Inc., and the increase in software

maintenance services is primarily due to the addition of revenues from the acquisition of the assets of CEO Imaging Systems, Inc. Intellinetics reported a net loss of \$928,567 and \$1,143,515 for the six months ended June 30, 2020 and 2019, respectively, representing a decrease in net loss of \$214,948. The decreased net loss was primarily the result of a gain on extinguishment of debt of \$287,426, income tax benefit of \$188,300, and improved operating income contribution, offset by acquisition-related transaction costs of \$636,440. Net loss per share for the six months ended June 30, 2020 and 2019 was (\$0.46) and (\$3.09), respectively.

#### 2020 Highlights

- Positive adjusted EBITDA for three and six months ended June 30, 2020.
- Integration of acquisitions of <u>Graphic Sciences</u> (March 2, 2020) and <u>CEO Imaging Systems</u>, <u>Inc.</u> (April 24, 2020) progressing at or ahead of schedule despite pandemic challenges.
- Maintaining benefits for employees furloughed due to state stay-at-home orders, supported by increased revenue and stronger operating results of the consolidated entity, as well as management salary reductions and other cost savings measures.

James F. DeSocio, President & CEO of Intellinetics, stated, "I was pleased to see how fast our operations in Michigan could return to full steam after the stay-at-home order was lifted. We were able to ramp up quickly by continuing benefits for furloughed employees and offering all of them their roles back when the state lifted the stay order, and the majority of our experienced employees came back to work. This team then augmented their resilience and tenacity with creative solutions to ensure our customers and employees remain safe and still get our work done in timely fashion. For example, work that was previously not possible to do remotely has been modified so that certain elements can now be processed from home.

"Similarly, our new employees from CEO Imaging Systems, Inc. have hit the ground running. They have continued to serve their existing customers, while learning our IntelliCloud TM flagship product and supporting cross training on their own CEO Image Executive TM solutions. Meanwhile, all teams have worked tirelessly to ensure that communication channels remain open and have kept integration distractions to a minimum. Further, these accomplishments occurred with virtually no travel due to the ongoing pandemic.

"I am most enthusiastic about our synergies with the consolidated entity and the opportunities to bring new conversations to our customers. We hit a very important milestone in 2020 by achieving positive Adjusted EBITDA, and I'm proud of the team for their incredible efforts. Our goal is to have continued positive Adjusted EBITDA for the remainder of 2020. With the foundation set in the second quarter, including delivering above-expected sales, my optimism is growing for our future sales prospects and our ability to generate cash. Our second quarter results were impacted by COVID-19, but based on our current plans and estimates, we anticipate that our revenues for each of the third and fourth quarters of 2020 will surpass our second quarter results."

#### **Conference Call**

Intellinetics is holding a conference call to discuss these results on Friday, August 14, 2020,

at 9:30 a.m. Eastern Time. The conference call can be accessed by dialing + 19292056099 and providing passcode 85468060721#. If you are unable to participate during the live call, a replay of the conference call will be available approximately two hours after the completion of the call through August 31, 2020. To listen to the replay, the call will be archived on the company's website at <a href="https://www.intellinetics.com/company-news/">https://www.intellinetics.com/company-news/</a>.

#### About Intellinetics, Inc.

Intellinetics, Inc., located in Columbus, Ohio, is a cloud-based document services software provider. Its IntelliCloud™ suite of solutions serve a mission-critical role for organizations in highly regulated, risk and compliance-intensive markets in Healthcare, K-12, Public Safety, Public Sector, Risk Management, Financial Services and beyond. IntelliCloud solutions make content secure, compliant, and process-ready to drive innovation, efficiencies and growth. Through its Image Technology Group and production scanning department, hundreds of millions of images have been converted from paper to digital, paper to microfilm, and microfiche to microfilm for business and federal, county, and municipal governments. Its operations in Madison Heights, Michigan, also provides its clients with long-term paper and microfilm storage and retrieval options. For additional information, please visit <a href="https://www.intellinetics.com">www.intellinetics.com</a>.

#### **Cautionary Statement**

Statements in this press release which are not purely historical, including statements regarding future business and growth, new revenues, cash flow and other synergies associated with our recent acquisition of Graphic Sciences and CEO Imaging and the success of our integration efforts, our other product and service offerings and partnerships mentioned in this release, and in any other industry, market, initiative, service or innovation; cross-selling opportunities Intellinetics' future revenues, revenue consistency, growth and long-term value, including trends in revenue growth and mix; growth of software as a service, professional services, and maintenance revenue; market penetration; execution of Intellinetics' business plan, strategy, direction and focus; and other intentions, beliefs, expectations, representations, projections, plans or strategies regarding future growth, financial results, and other future events are forward-looking statements. The forwardlooking statements involve risks and uncertainties including, but not limited to, the risks associated with the effect of changing economic conditions, the impact of COVID-19 and related governmental actions and orders on customers, suppliers, employees and the economy and our industry, Intellinetics' ability to execute on its business plan and strategy, customary risks attendant to acquisitions, trends in the products markets, variations in Intellinetics' cash flow or adequacy of capital resources, market acceptance risks, the success of Intellinetics' solutions providers, including human services, health care, and education, technical development risks, and other risks, uncertainties and other factors discussed from time to time in its reports filed with or furnished to the Securities and Exchange Commission, including in Intellinetics' most recent annual report on Form 10-K as well as subsequently filed reports on Form 8-K. Intellinetics cautions investors not to place undue reliance on the forward-looking statements contained in this press release. Intellinetics disclaims any obligation and does not undertake to update or revise any forwardlooking statements in this press release. Expanded and historical information is made available to the public by Intellinetics on its website at www.intellinetics.com or at www.sec.gov.

#### **Non-GAAP Financial Measure**

Intellinetics uses non-GAAP Adjusted EBITDA as a supplemental measure of our performance that is not required by, or presented in accordance with, accounting principles generally accepted in the United States (GAAP).

A non-GAAP financial measure is a numerical measure of a company's financial performance that excludes or includes amounts so as to be different from the most directly comparable measure calculated and presented in accordance with GAAP in the statement of income, balance sheet or statement of cash flows of a company. Adjusted EBITDA is not a measurement of financial performance under GAAP and should not be considered as an alternative to net income, operating income, or any other performance measure derived in accordance with GAAP, or as an alternative to cash flow from operating activities or a measure of our liquidity. Intellinetics urges investors to review the reconciliation of non-GAAP Adjusted EBITDA to the comparable GAAP Net Loss, which is included in this press release, and not to rely on any single financial measure to evaluate Intellinetics' financial performance.

We believe that Adjusted EBITDA is a useful performance measure and is used by us to facilitate a comparison of our operating performance on a consistent basis from period-to-period and to provide for a more complete understanding of factors and trends affecting our business than measures under GAAP can provide alone. We define "Adjusted EBITDA" as earnings before interest expense, any income taxes, depreciation and amortization expense, stock-based compensation, note conversion and note or equity offer warrant or stock expense, gain or loss on debt extinguishment, and significant transaction costs.
