Intellinetics Showcased New Accounts Payable Automation Solution at IBS 2023

IntelliCloud™ Payables Automation System Fully Automates AP Process

COLUMBUS, Ohio--(BUSINESS WIRE)-- Intellinetics, Inc., ([NYSE American: INLX](#)), a provider of solutions and services that enable and accelerate digital transformation, is proud to announce it showcased its [IntelliCloud™ Payables Automation System \(IPAS\)](#) at the 2023 NAHB International Builders' Show (IBS) January 31- February 2 in Las Vegas. IPAS automates the entire invoice-to-pay-to-reconciliation AP process.

Intellinetics collaborated with the Constellation HomeBuilder Systems division of Perseus Group Software Corporation, a leading provider of software and services in the building industry, to create a seamless AP automation module that is completely integrated with Constellation HomeBuilder Systems' industry-leading NEWSTAR Enterprise ERP software for home builders and land developers. IPAS utilizes patented artificial intelligence and machine learning technologies to eliminate the costly manual steps in GL-coding, workflows and approvals, data entry, and invoice filing.

"Construction, like many industries, is battling with higher costs across the board," said Matt Chretien, Chief Strategy Officer at Intellinetics. "We are proud to be working with Constellation HomeBuilder Systems to introduce innovative solutions to help builders reduce costs, strengthen compliance, and make agile business decisions with real-time dashboard views into data, trends, and documents."

"It has been a pleasure working with the team at Intellinetics and with our homebuilding customers to unlock efficiencies for payables automation", added Chris Graham, President of Constellation HomeBuilder Systems.

"We continue to drive adoption of our IntelliCloud™ Payables Automation Solution (IPAS), launched earlier this year, by showcasing it at the 2023 NAHB International Builders' Show (IBS), the largest annual light construction trade show in the world," said James F. DeSocio, President & CEO of Intellinetics. "IPAS is a new enterprise-class software solution for financial platforms that support very complex cost-accounting markets. Embedding our technology with ERP platforms enables us to enter new markets and scale customer acquisition."

About Intellinetics, Inc.

Intellinetics, Inc. (NYSE American: INLX) is enabling the digital transformation. Intellinetics empowers organizations to manage, store and protect their important documents and data. The Company's flagship solution, the IntelliCloud™ content management platform, delivers advanced security, compliance, workflow and collaboration features critical for highly regulated, risk-intensive markets. IntelliCloud connects documents to users and the

processes they support anytime, anywhere to accelerate innovation and empower organizations to think and work in new ways. In addition, Intellinetics offers business process outsourcing (BPO), document and micrographics scanning services, and records storage. From highly regulated industries like Healthcare/Human Service Providers, K-12, Public Safety, and State and Local Governments, to businesses looking to move away from paper-based processes, Intellinetics is the all-in-one, compliant, document management solution. Intellinetics is headquartered in Columbus, Ohio. For additional information, please visit www.intellinetics.com.
