Intellinetics Named One of The Americas' Fastest Growing Companies by the Financial Times

COLUMBUS, Ohio--(BUSINESS WIRE)-- Intellinetics, Inc. ([NYSE American: INLX](#)), a digital transformation solutions provider, has been recognized by the Financial Times as one of "[The Americas' Fastest Growing Companies 2023](#)." Intellinetics debuts on the list at number 162nd among 500 other companies dominating in their respective sectors.

This fourth annual list ranks companies in the Americas based on the highest compound annual growth in revenues from 2018 to 2021 covering a period when the region's economies were powering out of the pandemic. Software and IT is the sector most represented on the list, making up 27 per cent of the fastest-growing companies. Intellinetics ranked 41 out of 134 other technology companies making the publication including DocuSign, Zoom, Twitter, and DoorDash.

"It's a great feeling to be ranked in the top 30% in both the technology sector and overall on the Financial Times list," stated [James F. DeSocio](#), President & CEO of Intellinetics. "This accomplishment reflects our continued momentum during turbulent conditions. Our company weathered the pandemic very successfully, which validates our business model and is a testament to our employees and the value we provide our clients during their digital transformation journeys. We are poised to continue to grow in 2023."

The awards list was announced on March 28, 2023, and can currently be viewed on the [Financial Times](#) website.

Methodology

According to the Financial Times, the Americas' Fastest Growing Companies 2023 list was compiled with Statista, a research company, and ranks the top 500 companies from across North and South America by their compound annual growth rate (CAGR) in revenue between 2018 and 2021. The data was collected via desk research from official sources such as publicly available earning presentations, investor relations, websites, and annual reports. Across 20 countries, over 7,000 public companies were examined.
