Rexford Industrial Releases Environmental, Social and Governance Impact Report

LOS ANGELES, May 28, 2026 /PRNewswire/ -- Rexford Industrial Realty, Inc. (the "Company" or "Rexford Industrial") (NYSE: REXR), a real estate investment trust focused on creating value by investing in and operating industrial properties throughout infill Southern California, today published its 2025 Environmental, Social and Governance Impact (ESG*i*) Report.

"Our ESG*i* Report reflects continued progress integrating sustainability across our strategy and operations — from reducing emissions to strengthening our commitment to our team and communities," said Laura Clark, Chief Executive Officer. "We remain focused on building a resilient and efficient industrial platform that drives durable value creation for our shareholders."

Rexford Industrial's sustainability efforts continue to earn recognition from leading global institutions. The Company was named an S&P Global Sustainability Yearbook Member, a designation for the top 15% of real estate investment trusts. Rexford Industrial also earned GRESB Sector Leader status and holds the Platinum Green Lease Leader designation.

About Rexford Industrial
Rexford Industrial creates value by investing in, operating and repositioning industrial properties throughout infill Southern California, the world's fourth largest industrial market and consistently the highest-demand with lowest-supply major market in the nation over the long term. The Company's highly differentiated strategy enables internal and external growth opportunities through its proprietary value creation and asset management capabilities. As of March 31, 2026, Rexford Industrial's high-quality, irreplaceable portfolio comprised 414 properties with approximately 50.4 million rentable square feet occupied by a stable and diverse tenant base. Structured as a real estate investment trust (REIT) listed on the New York Stock Exchange under the ticker "REXR," Rexford Industrial is an S&P MidCap 400 Index member. Forward Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws, which are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. While forward-looking statements reflect the Company's good faith beliefs, assumptions and expectations, they are not guarantees of future performance. In addition, projections, assumptions and estimates of our future performance and the future performance of the industry in which we operate are necessarily subject to a high degree of uncertainty and risk due to a variety of factors, including those described above. These and other factors could cause results to differ materially from those expressed in our estimates and beliefs and in the estimates prepared by independent parties. For a further discussion of these and other factors that could cause the Company's future results to differ materially from any forward-looking statements, see the reports and other filings by the Company with the U.S. Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the year ended December 31, 2025, and other filings with the Securities and Exchange Commission. The Company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes.
