Operations

An empowered team driving efficiency and value

- Decentralized to empower field managers to drive the performance of their asset
- Maximizing center value through redevelopments, renovations, and expansions
- Leveraging AI technology to optimize customer service, enhance predictive functionality, and drive efficiency
- Generating operating expense efficiencies without impacting the shopper experience
- Participating in revenue generation:
 - Focus on business development opportunities, including sponsorships and paid media
 - Local leasing focused on iconic local brands
 - Marketing strategies customized to each asset

Marketing

An unparalleled strategic advantage

- Leveraging data to unlock greater value for our shoppers and retail partners to drive topline sales
- Connecting our shoppers to the brands and value they want through a digital-first platform
- Broadening our addressable audience with a free offering of our all-new loyalty program, TangerClub
- Growing our customer database and optimizing our marketing spend with an ROI focus
- Reaching a younger and broader audience by evolving our messaging and media channels
- Engaging with local communities through events and celebrations

Accelerating Growth

A Portfolio Positioned in the Path of Demand

Brick-and-Mortar Retail Demand

Shoppers want:

- In-demand brands and new retail experiences
- Social, experiential shopping
- Tactile interaction with products and instant gratification of in-person shopping
- Holistic, social experience with food, beverage, and entertainment

Retailers want:

- Direct touchpoint with customers
- Omnichannel structure to support both online and physical store sales
- High-traffic retail locations in a time of limited real estate supply
- Growth beyond DTC channel

Positioned in the Path of Demand

Our shopping centers are in fast-growing markets with above average population growth, that benefit from tourism, seasonal residents, and today's flexible workforce.

Tanger + Retail Brands

A unique partnership that drives mutual success

- Large, well-positioned portfolio with growth opportunities
- Quality, in-demand brands in each center
- Proven retail partnership, with local team support
- Onsite media and community engagement opportunities
- Digital-first loyalty and marketing platforms

The Outlet Channel

Highly profitable and core to retailers' omnichannel strategy

- Productive sales model and clearance channel
- Lower occupancy cost and higher margins
- Lower customer acquisition costs
- Direct touchpoint with consumers
- Ability to maintain brand integrity

Multiple use cases to support retailers' business strategy:

- Clear excess inventory while maintaining brand integrity
- Ability to offer a mix of clearance, made-for-outlet, and full price product
- “Pop-up” model allows national brands to test the channel and new locations
- Avenue for best-in-class local and regional brands to gain exposure alongside proven national brands, plus dining and entertainment

External Growth

Accretive Portfolio Expansion to Drive Value

Growing Our Platform to Create Value

Our Strategic Advantages:

- Ability to leverage the strength of our operating, leasing, and marketing platforms
- Experienced in-place team with expertise across the retail spectrum
- Dynamic and diversified tenancy growing in our existing portfolio – full-price stores, food and beverage, and entertainment venues
- Strong and flexible balance sheet with ample sources of liquidity = capacity for growth

How do our Recent Portfolio Additions align with our Investment Targets?

1 Dominant open-air centers

New centers are in primary retail and entertainment destinations in their regions.

2 Robust residential and economic drivers

All are in sought-after suburban locations amid high-income neighborhoods and premium amenities.

3 Outlets and complementary open-air retail

Our last six additions include three outlet centers and three lifestyle centers.

4 Attractive returns and ability to add value

Each offers a strong going-in return with upside potential, funded with existing cash and available liquidity.

Accretive Expansion

Recent additions continue to advance our external growth strategy to add value

Safe Harbor Statements

Certain statements made in this presentation contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and include this statement for purposes of complying with these safe harbor provisions. Forward-looking statements are generally identifiable by use of the words “anticipate,” “believe,” “can,” “continue,” “could,” “designed,” “estimate,” “expect,” “forecast,” “goal,” “intend,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “target,” “will,” “would,” and similar expressions that do not report historical matters. Such statements are based on assumptions and expectations that may not be realized and are inherently subject to risks, uncertainties and other factors, many of which cannot be predicted with accuracy and some of which might not even be anticipated. Although we believe the expectations reflected in these forward-looking statements are based on reasonable assumptions, future events and actual results, performance, transactions or achievements, financial and otherwise, may differ materially from the results, performance, transactions or achievements expressed or implied by the forward-looking statements. As a result, you should not rely on or construe any forward-looking statements in this presentation as predictions of future events or as guarantees of future performance. We caution you not to place undue reliance on forward-looking statements, which speak only as of the date of this presentation. All of our forward-looking statements are qualified in their entirety by this cautionary statement.

There are a number of risks, uncertainties and other factors that could cause our actual results to differ materially from the forward-looking statements contained in or contemplated by this presentation. Any forward-looking statements should be considered in light of the risks, uncertainties and other factors referred to in Item 1A. “Risk Factors” in our most recent Annual Report on Form 10-K and our subsequent Quarterly Reports on Form 10-Q and in our other filings with the Securities and Exchange Commission (“SEC”). Such risks and uncertainties include, but are not limited to: risks associated with general economic and financial conditions, including inflationary pressures and recessionary fears, newly-imposed and potentially additional U.S. tariffs and responsive non-U.S. tariffs; increased capital costs and capital markets volatility; increases in unemployment and reduced consumer confidence and spending; risks related to our ability to acquire or develop new retail centers or expand existing retail centers successfully; risks related to the financial performance and market value of our retail centers and the potential for reductions in asset valuations and related impairment charges; our dependence on rental income from real property; the relative illiquidity of real property investments; failure of our acquisitions or dispositions of retail centers to achieve anticipated results; competition for the acquisition and development of retail centers, and our inability to complete the acquisitions of retail centers we may identify; competition for tenants with competing retail centers and our inability to execute leases with tenants on terms consistent with our expectations; the diversification of our tenant mix and

the operation of full price retail may not achieve our expected results; risks associated with environmental regulations; risks associated with possible terrorist activity or other acts or threats of violence and threats to public safety; risks related to international military conflicts, international trade disputes and foreign currency volatility; the fact that certain of our leases include co-tenancy and/or sales-based provisions that may allow a tenant to pay reduced rent and/or terminate a lease prior to its natural expiration; our dependence on the results of operations of our retailers and their bankruptcy, early termination or closing could adversely affect us; the impact of geopolitical conflicts; the impact of a prolonged government shutdown; the immediate and long-term impact of the outbreak of a highly infectious or contagious disease on our tenants and on our business (including the impact of actions taken to contain the outbreak or mitigate its impact); the fact that certain of our properties are subject to ownership interests held by third parties, whose interests may conflict with ours; risks related to climate change; risks related to uninsured losses; the risk that consumer, travel, shopping and spending habits may change; risks associated with our Canadian investments; risks associated with attracting and retaining key personnel; risks associated with debt financing; risks associated with our guarantees of debt for, or other support we may provide to, joint venture properties; the effectiveness of our interest rate hedging arrangements; our potential failure to qualify as a REIT; our legal obligation to pay dividends to our shareholders; legislative or regulatory actions that could adversely affect our shareholders; our dependence on distributions from Tanger Properties Limited Partnership’s (together with its subsidiaries, the “Operating Partnership”) to meet our financial obligations, including dividends; risks of costs and disruptions from cyber-attacks or acts of cyber-terrorism on our information systems or on third party systems that we use; unanticipated threats to our business from changes in information and other technologies, including artificial intelligence; and the uncertainties of costs to comply with regulatory changes and other important factors which may cause actual results to differ materially from current expectations include, but are not limited to, those set forth under Item 1A - “Risk Factors” in Tanger Inc.’s (together with its subsidiaries, the “Company”) and the Operating Partnership’s Annual Report on Form 10-K for the year ended December 31, 2025 and in other reports that we file with the SEC.

Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained herein, whether as a result of any new information, future events, changed circumstances or otherwise.

We use certain non-GAAP supplemental measures in this presentation, including Funds From Operations (“FFO”), Core Funds From Operations (“Core FFO”), same center net operating income (“Same Center NOI”), portfolio net operating income (“Portfolio NOI”), Adjusted Earnings Before Interest, Taxes, Depreciation and Amortization for Real Estate (“Adjusted EBITDAre”), Net Debt, and Funds Available for Distribution (“FAD”).
