HANNON ARMSTRONG

About Hannon Armstrong

Hannon Armstrong makes debt and equity investments in sustainable infrastructure projects. The Company focuses on profitable projects that increase energy efficiency, provide cleaner energy, positively impact the environment, or make more efficient use of natural resources. The Company began its business more than 30 years ago, and since 2000, using its direct origination platform, it has provided or arranged over \$4.6 billion of financing in more than

475 sustainable infrastructure transactions. Hannon Armstrong targets projects that have high credit quality obligors, fully contracted revenue streams and inherent economic value. For more information visit www.hannonarmstrong.com.

The Company, based in Annapolis, MD, intends to elect and qualify to be taxed as a real estate investment trust, or REIT, for federal income tax purposes commencing with its taxable year ended December 31, 2013.
