September 19, 2018

Helios Technologies to Webcast Investor and Analyst Day Presentation

SARASOTA, Fla.--(BUSINESS WIRE)-- Helios Technologies (formerly known as Sun Hydraulics) (Nasdaq: SNHY) (“Helios” or the “Company”), a global industrial technology leader that develops and manufactures solutions for both the hydraulics and electronics markets, announced today that it will webcast its Investor and Analyst Day management presentation on Wednesday, October 3, 2018 from 9:00 a.m. Eastern Time until approximately 12:00 p.m. Eastern Time.

During the presentation, Wolfgang Dangel, Helios’ President and Chief Executive Officer, Tricia L. Fulton, Helios’ Chief Financial Officer, and other key members of the Company’s Hydraulics and Electronics segments will provide an in-depth update on execution of its Vision 2025 strategy. Product displays will also be available.

The webcast and accompanying slides can be accessed beginning the day of the presentation in the Investor Relations section of the Helios Technologies website at www.heliostechnologies.com.

If you are unable to listen to the live webcast, the webcast audio replay will be archived in the Investor Relations section of the Company’s website beginning approximately four hours after the completion of the event. In addition, a transcript of the event will be posted to the website, once available.

About Helios Technologies
Helios Technologies is the business name for Sun Hydraulics Corporation, a publicly-listed company on the Nasdaq Global Stock Market (SNHY). Helios Technologies is a global industrial technology leader that develops and manufactures hydraulic and electronic control solutions for diverse markets. The Company does business through its operating subsidiaries around the world, including Sun Hydraulics, LLC, Enovation Controls, LLC and Faster S.p.A. Through its Hydraulics segment, the Company serves diverse markets including material handling, construction equipment, agriculture, specialized vehicles, energy and others through its Sun Hydraulics and Faster Group companies, providing high-performance screw-in hydraulic cartridge valves and manifolds as well as quick-release hydraulic coupling solutions. Through its Electronics segment, the Company provides electronic control solutions through Enovation Controls for recreational and off-highway vehicles, as well as industrial stationary and mobile power equipment. Helios Technologies and information about its associated companies is available online at www.heliostechnologies.com.
