This prestigious recognition highlights the Company's commitment to prioritizing its people, fostering a culture of trust, and empowering colleagues worldwide to achieve their full potential. The award reflects the Company's ongoing efforts toward creating a positive workplace culture, ensuring that colleagues at all levels feel valued and engaged.

"We believe this award for our Enovation Controls UK team is a testament to the strong, collaborative culture within Enovation Controls and throughout the Helios family of companies. These are exciting times for Helios, and we are gratified by the work Enovation Controls has put into their employee culture which reflects the Helios shared values," commented Sean Bagan, Interim President, Chief Executive Officer, and Chief Financial Officer of Helios.

"It's great to see so many examples on our new UK's Best Workplaces in Manufacturing, Production & Transportation list of organisations making their workplaces truly 'great'. These companies know that investing in the development needs of their employees has a direct impact on employee wellbeing as well as organisational growth. Congratulations to Enovation Controls for making it onto this prestigious list," said Benedict Gautrey, Managing Director of Great Place to Work UK.

The recognition of Enovation Controls as one of the UK's Best Workplaces in Manufacturing, Production & Transportation™ reaffirms the Company's broader efforts to lead with integrity, inclusion, leadership, innovation and accountability. Enovation Controls was also named one of the UK's Best Workplaces for Women™ in 2024.
