Cummins Increases Revolver Capacity by $2 Billion

COLUMBUS, Ind.--(BUSINESS WIRE)-- Cummins Inc. (NYSE: CMI) today entered into an agreement providing for an additional $2 billion revolving credit facility that terminates on April 30, 2021.

“The company ended the first quarter with cash, cash equivalents and marketable securities of $2 billion and committed borrowing capacity of $1.9 billion,” said Chief Financial Officer Mark Smith. “The agreement we entered into today boosts our already strong liquidity by $2 billion.”

The company’s long-term credit ratings remain unchanged at A+ from Standard & Poor’s and A2 from Moody’s with stable outlooks.

About Cummins Inc.
Cummins Inc., a global power leader, is a corporation of complementary business segments that design, manufacture, distribute and service a broad portfolio of power solutions. The company’s products range from diesel, natural gas, electric and hybrid powertrains and powertrain-related components including filtration, aftertreatment, turbochargers, fuel systems, controls systems, air handling systems, automated transmissions, electric power generation systems, batteries, electrified power systems, hydrogen generation and fuel cell products. Headquartered in Columbus, Indiana (U.S.), since its founding in 1919, Cummins employs approximately 61,600 people committed to powering a more prosperous world through three global corporate responsibility priorities critical to healthy communities: education, environment and equality of opportunity. Cummins serves its customers online, through a network of company-owned and independent distributor locations, and through thousands of dealer locations worldwide and earned about $2.3 billion on sales of $23.6 billion in 2019. Forward-looking disclosure statement
Information provided in this release that is not purely historical are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding our forecasts, guidance, preliminary results, expectations, hopes, beliefs and intentions on strategies regarding the future. These forward-looking statements include, without limitation, statements relating to our plans and expectations for

our revenues and EBITDA. Our actual future results could differ materially from those projected in such forward-looking statements because of a number of factors, including, but not limited to: market slowdown due to the impacts from COVID-19 pandemic, other public health crises, epidemics or pandemics; impacts to manufacturing and supply chain abilities from an extended shutdown or disruption of our operations due to the COVID-19 pandemic; supply shortages and supplier financial risk, particularly from any of our single-sourced suppliers, including suppliers that may be impacted by the COVID-19 pandemic; aligning our capacity and production with our demand, including impacts of COVID-19; a major customer experiencing financial distress, particularly related to the COVID-19 pandemic; any adverse results of our internal review into our emissions certification process and compliance with emission standards; increased scrutiny from regulatory agencies, as well as unpredictability in the adoption, implementation and enforcement of emission standards around the world; disruptions in global credit and financial markets as the result of the COVID-19 pandemic; adverse impacts from government actions to stabilize credit markets and financial institutions and other industries; product recalls; the development of new technologies that reduce demand for our current products and services; policy changes in international trade; a slowdown in infrastructure development and/or depressed commodity prices; the U.K.'s decision to end its membership in the European Union (EU); labor relations or work stoppages; reliance on our executive leadership team and other key personnel; lower than expected acceptance of new or existing products or services; changes in the engine outsourcing practices of significant customers; our plan to reposition our portfolio of product offerings through exploration of strategic acquisitions and divestitures and related uncertainties of entering such transactions; exposure to potential security breaches or other disruptions to our information technology systems and data security; challenges or unexpected costs in completing cost reduction actions and restructuring initiatives; failure to realize expected results from our investment in Eaton Cummins Automated Transmission Technologies joint venture; political, economic and other risks from operations in numerous countries; competitor activity; increasing competition, including increased global competition among our customers in emerging markets; foreign currency exchange rate changes; variability in material and commodity costs; the actions of, and income from, joint ventures and other investees that we do not directly control; changes in taxation; global legal and ethical compliance costs and risks; product liability claims; increasingly stringent environmental laws and regulations; the performance of our pension plan assets and volatility of discount rates, particularly those related to the sustained slowdown of the global economy due to the COVID-19 pandemic; future bans or limitations on the use of diesel-powered products; the price and availability of energy; our sales mix of products; protection and validity of our patent and other intellectual property rights; the outcome of pending and future litigation and governmental proceedings; continued availability of financing, financial instruments and financial resources in the amounts, at the times and on the terms required to support our future business; and other risks detailed from time to time in our SEC filings, including particularly in the Risk Factors section of our 2019 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Shareholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements made herein are made only as of the date of this press release and we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. More detailed information about factors that may affect our performance may be found in our filings with the SEC, which are available at http://www.sec.gov or at http://www.cummins.com in the Investor Relations

section of our website.
