The Joint Chiropractic Opens at Luke Air Force Base, Bringing Chiropractic Care to the Military

SCOTTSDALE, Ariz., Jan. 4, 2022 /PRNewswire/ -- As part of its an agreement with the Army & Air Force Exchange Service to provide on-installation chiropractic care to members of the military and their families, The Joint Chiropractic announces the opening of [The Joint Chiropractic – Luke Air-Force Base](#). The new clinic is located at 14185 Falcon Street between the Alterations shop and Military Clothing in the Base Exchange building in Glendale, Ariz.

New military patients receive their initial visit for \$19.00, which includes the consultation, exam, and adjustment. The Joint is known for its convenient retail setting and concierge-style services. For patients that means no-appointments, no-insurance hassles, affordable chiropractic care and accommodating hours of operations, including evenings and weekends.

In addition to serving those directly on base, The Joint Chiropractic honors members of the military in Arizona, and nationwide, through its Military Appreciation Program. The year-round program offers active and retired military personnel, National Guard and Veterans, as well as their immediate families, an initial visit for only \$19, which includes the consultation, exam and adjustment. The program also reduces pricing by \$10 for a monthly wellness plan or chiropractic care package. There are 36 The Joint locations across the Phoenix metropolitan area that offer the Military Appreciation Program.

Millions of Americans have found relief from pain due to the benefits of chiropractic's natural,

drug-free approach to healthcare. Everyone, from enlisted to officer to retired and their families, can improve their quality of life through routine chiropractic care. The Joint's purpose is to alleviate pain and help move patients toward a healthier lifestyle, including those seeking relief from neck and back pain, stress and tension disorders and improved posture or joint motion and coordination, migraines and more.
