### **About DMC**

Based in Boulder, Colorado, DMC operates in two sectors: industrial infrastructure and oilfield products and services. The industrial infrastructure sector is served by DMC's NobelClad business, the world's largest manufacturer of explosion-welded clad metal plates, which are used to fabricate capital equipment utilized within various process industries and other industrial sectors. The oilfield products and services sector is served by DynaEnergetics, an international developer, manufacturer and marketer of advanced explosive components and systems used to perforate oil and gas wells. For more information, visit the Company's website at: <http://www.dmcglobal.com>.
