Pop Quiz* is our second original series, following the hit *Stan Lee's Superhero Kidnergarten*. This is also the first live-action series produced exclusively for Kartoon Channel! Currently in production on 140 x 11" episodes, *KC! Pop Quiz* is a fast-paced, live-action daily game show based on pop culture where kids can win cool prizes. **Anna Lotto** (*Best Ever Trivia Show*, *Mission Unstoppable with Miranda Cosgrove*, *The \$100,000 Pyramid*, *Boom!*, *Supermarket Sweep*, and more) serves as Executive Producer and series showrunner, with **Guy Shalem** (*Betty White's Off Their Rockers*, *Lovespring International*, *Fall Into Me*) as Executive Producer. Casey has toured the country talking about youth activism with the Thirst Project; performs stand-up comedy; and is a columnist for Young Mensa Mag. He enjoys learning languages, idioms, and new things. Casey hates third-person bios and has the ability to cure anyone's hiccups...seriously ask him if you ever have them, and he will cure them.

### **About KC! Pop Quiz:**

In *KC! Pop Quiz*, aimed at kids 6 – 11-years-old, two kid contestants (age 9-12) compete head-to-head, answering questions correctly to earn points, which are redeemable at the end of the game for exciting real prizes selected from a virtual prize room. The winner returns to play again the next game. Question topics include pop culture, such as music, movies, social media, sports, toys, gaming, as well as general knowledge questions in categories that include geography, history, language, science and technology.

The fast-paced game features three rounds:

- Round One: **THINK FAST**, which features four 50/50 style questions like true-or-false and yes-or-no. Each correct answer is worth 100 points.
- Round Two: **THINK HARDER**, features three multiple-choice questions with four possible answers. Each correct answer is worth 200 points.
- Round Three: A single **INFINITY QUESTION**, which is fill in the blank, so named because there are an infinite number of possible answers. The INFINITY QUESTION is worth 1000 points.

At the end of the game, contestants visit the KC! Prize Room of Dreams, where contestants choose from a virtual prize pyramid displaying cool kid-centric items, ranging from laptop computers and video game players to a chocolate fountain and a giant gummy worm. No contestant goes home empty-handed!
