AMDRO® Pest Control Solutions Teams Up with Brandon Jones for NASCAR CRAFTSMAN® Truck Series at Texas Motor Speedway

The sponsorship continues the strong and valued partnership between Central Garden & Pet and Menards, one of the nation's

premier home improvement retailers and a long-time supporter of motorsports. AMDRO, known for its powerful pest control solutions, is the perfect fit for the Texas race, where fire ants are a persistent concern for homeowners.

"We're thrilled to have our AMDRO brand featured on Brandon's truck for this exciting race," said Andy Monfalcone, Senior Director of Marketing for Controls at Central Garden & Pet. "Texas is a key market for AMDRO, and fire ants are a major issue here. The bold graphics on Brandon's truck — matching the striking designs featured on our in-store packaging — will leave a lasting impression on race fans as they shop for effective pest control solutions at Menards."

Brandon Jones, an Atlanta native and fan favorite, competes part-time in the NASCAR CRAFTSMAN Truck Series™, proudly carrying Menards' iconic colors alongside the AMDRO brand. With Menards' deep legacy as a major sponsor across NASCAR, including the Craftsman Truck Series and Xfinity Series, and Tricon Garage's strong racing pedigree, this partnership brings together three brands built on strength, performance, and winning solutions.

"We are proud of our long-standing relationship with Menards and honored to see our brands showcased with their support," added the Monfalcone. "Just like Menards and Tricon Garage, AMDRO stands for results — strong, effective, and built to win."
