

Sonic Automotive, Inc. Reports All-Time Record Pre-Owned Unit Sales and Total Gross Profit

CHARLOTTE, N.C., July 22, 2014 /PRNewswire/ -- Sonic Automotive, Inc. (NYSE: SAH), one of the nation's largest automotive retailers, today reported net income from continuing operations for the second quarter of 2014 of \$27.1 million, or \$0.51 per fully diluted share. Net income from continuing operations for the second quarter of 2013 was \$8.7 million, or \$0.16 per fully diluted share. Results for the second quarter of 2014 include a net pre-tax gain of approximately \$5.9 million, or \$0.07 per diluted share, related to a gain on disposal of franchises, partially offset by hail damage and legal settlement charges. Results for the second quarter of 2013 include a pre-tax charge of approximately \$29.0 million, or \$0.34 per diluted share, related to costs associated with retiring all of its outstanding 9.0% Senior Subordinated Notes due 2018 (the "9% Notes").

Expenses attributable to Sonic's stand-alone pre-owned store initiative were \$3.2 million, or \$0.04 per fully diluted share, in the second quarter of 2014 compared to \$0.7 million, or \$0.01 per fully diluted share, in the prior year quarter.

Q2 2014 Highlights:

- New retail gross profit up 10.9% on a 3.4% increase in unit sales volume
- New retail vehicle revenue up \$83.5 million, or 7.0%
- All-time record pre-owned sales of 28,514 units in Q2 2014
- Pre-owned vehicle revenue up \$64.9 million, or 12.0%
- Pre-owned unit sales per store per month reached 100 units in May 2014 and 93 units for Q2 2014
- All-time record quarterly fixed operations gross profit in Q2 2014 of \$159.9 million, up \$8.7 million, or 5.8%, over the prior year quarter
- All-time record total gross profit in Q2 2014 of \$346.9 million, up \$23.1 million, or 7.1%, over the prior year quarter

B. Scott Smith, the Company's President, noted, "We posted a solid performance in the second quarter growing the top-line and gross profit in every revenue category. We are also very excited about the kick-off of our One Sonic-One Experience initiative in our Charlotte market during the third quarter of 2014. This initiative, combined with our pre-owned store initiative which we plan to open in Denver, Colorado during the fourth quarter of 2014, is one of the cornerstones which will enable Sonic to rapidly grow in the future."

Jeff Dyke, Sonic's EVP of Operations, stated, "We had a fantastic quarter, achieving another significant milestone. In the month of May, we retailed 100 pre-owned vehicles per store per

month. This was a goal we set for ourselves over three years ago and we know we can continue to build on this accomplishment. This sales velocity in our pre-owned business also fueled exceptional results in fixed operations as well as in our finance and insurance areas. These two areas delivered total gross profit of \$237 million, another all-time record. Growth in these two areas generated an additional \$16.2 million of gross profit in the second quarter of 2014."

Second Quarter Earnings Conference Call

Senior management will host a conference call today at 11:00 A.M. (Eastern) to discuss the quarter's results. To access the live broadcast of the call over the Internet go to: www.sonicautomotive.com, then click on "Our Company," then "Investor Relations," then "Earnings Conference Calls."

Presentation materials for the conference call can be accessed on the Company's website at www.sonicautomotive.com by clicking on the "Investor Relations" tab under "Our Company" and choosing "Webcasts & Presentations."

The conference call will also be available live by dialing in 10 minutes prior to the start of the call at:

Domestic: 1.877.450.3867 International: 1.706.643.0958 Conference ID: 76537422

A conference call replay will be available one hour following the call for seven days and can be accessed by calling:

Domestic: 1.855.859.2056 International: 1.404.537.3406 Conference ID: 76537422

About Sonic Automotive

Sonic Automotive, Inc., a Fortune 500 company based in Charlotte, N.C., is one of the nation's largest automotive retailers. Sonic can be reached on the web at www.sonicautomotive.com.

Included herein are forward-looking statements, including statements with respect to anticipated earnings per share from continuing operations, expected expense impacts of our company's stand-alone pre-owned store initiative, anticipated growth in new vehicle sales, and anticipated future success and impacts from the implementation of our planned customer experience and stand-alone pre-owned store initiatives. There are many factors that affect management's views about future events and trends of the Company's business. These factors involve risk and uncertainties that could cause actual results or trends to differ materially from management's view, including without limitation, economic conditions in the markets in which we operate, new and used vehicle industry sales volume, the success of our operational strategies, the rate and timing of overall economic recovery or decline, and the risk factors described in the Company's annual report on Form 10-K for the year ending

December 31, 2013. The Company does not undertake any obligation to update forward-looking information.

Sonic Automotive, Inc. Results of Operations (Unaudited)

This release contains certain non-GAAP financial measures (the "Adjusted" columns) as defined under SEC rules, such as, but not limited to, adjusted income from continuing operations and related earnings per share data. The Company has reconciled these measures to the most directly comparable GAAP measures (the "Reported" columns) in the release. The Company believes that these non-GAAP financial measures improve the transparency of the Company's disclosure by providing period-to-period comparability of the Company's results from operations
