The acquisition was completed with cash on hand and borrowings under the Company’s line of credit.

“We continue to find quality assets at favorable yields within our core Southern California infill submarkets and this acquisition of a single-tenant property from a private seller at attractive pricing is representative of our ability to find value in today’s market,” stated Howard Schwimmer and Michael Frankel, Co-Chief Executive Officers of the Company. “We believe these quality buildings are mission critical to the current long-term tenant that has invested significantly in their improvements.
