Liberty Media Announces Preliminary Results of Self-Tender Offer

ENGLEWOOD, Colo., June 13 /PRNewswire-FirstCall/ -- Liberty Media Corporation (Nasdaq: LINTA) ("Liberty") announced today the expiration of its Dutch auction self-tender offer to purchase up to 19,417,476 shares of its Liberty Interactive Series A common stock. The tender offer expired at 5:00 p.m., New York City time, on June 12, 2007.

Based on the preliminary tabulation by the depositary, the tender offer was oversubscribed and the purchase price for the tender offer is \$25.05 per share.

Because the tender offer was oversubscribed, the number of LINTA shares that Liberty will purchase from each stockholder that tendered LINTA shares within the purchase price range for the tender offer will be pro-rated, subject to the odd-lot and conditional tender provisions of the tender offer. After the depositary verifies the actual number of LINTA shares validly tendered and not withdrawn, including shares tendered pursuant to guaranteed delivery procedures, and the purchase price at which such LINTA shares were tendered, Liberty will promptly announce the actual number of LINTA shares tendered and not withdrawn, the proration factor applicable to the tender offer and the purchase price for LINTA shares properly tendered and not withdrawn. Promptly after such announcement, the depositary will issue payment for the LINTA shares validly tendered and accepted for purchase under the tender offer and will return all other LINTA shares tendered. It is currently expected that the final proration factor and the final purchase price, in each case, applicable for the tender offer, will be announced on or about June 19, 2007 and that payment for all LINTA shares purchased will be made promptly thereafter.
