Main Street Announces Semi-Annual Supplemental Cash Dividend Payable in June 2017

Supplemental Cash Dividend of \$0.275 per Share is in Addition to Regular Monthly Cash Dividends for the Second Quarter of 2017

HOUSTON, April 20, 2017 /PRNewswire/ -- Main Street Capital Corporation (NYSE: MAIN) ("Main Street") is pleased to announce that its Board of Directors declared its semi-annual supplemental cash dividend of \$0.275 per share payable in June 2017. This supplemental cash dividend is in addition to the previously announced regular monthly cash dividends that Main Street declared for the second quarter of 2017 of \$0.555 per share, or \$0.185 per share for each of April, May and June 2017, and is consistent with the previous semi-annual supplemental cash dividends paid in June and December 2016. Including the regular monthly and supplemental cash dividends declared to date, Main Street will have paid \$19.99 per share in cumulative cash dividends since its October 2007 initial public offering at \$15.00 per share. Based upon the regular monthly dividend rate of \$0.185 per share for the second quarter of 2017 and the current semi-annual supplemental dividend rate of \$0.275 per share, Main Street's current annualized run-rate for cash dividends is \$2.77 per share. Main Street also expects that its Board of Directors will declare regular monthly dividends for the third quarter of 2017 during the first week of May.

This supplemental cash dividend, which will be payable as set forth in the table below, will be paid out of Main Street's undistributed taxable income (taxable income in excess of dividends paid) as of March 31, 2017.

When declaring dividends, the Main Street Board of Directors reviews estimates of taxable income available for distribution, which differs from consolidated net income under generally accepted accounting principles due to (i) changes in unrealized appreciation and depreciation, (ii) temporary and permanent differences in income and expense recognition, (iii) activity at taxable subsidiaries, and (iv) the amount of undistributed taxable income carried over from a given year for distribution in the following year. The final determination of taxable income for each year, as well as the tax attributes for dividends in such year, will be made after the close of the tax year. The final tax attributes for 2017 dividends are currently expected to include ordinary taxable income, capital gains and qualified dividends.

Main Street maintains a dividend reinvestment plan ("DRIP") that provides for the reinvestment of dividends on behalf of its registered stockholders who hold their shares with Main Street's transfer agent and registrar, American Stock Transfer and Trust Company, or certain brokerage firms that have elected to participate in Main Street's DRIP. Under the DRIP, if Main Street declares a dividend, registered stockholders (or stockholders holding shares through participating brokerage firms) who have not "opted out" of the DRIP by the dividend record date will have their dividend automatically reinvested into additional shares of Main Street common stock.
