HIGH ROLLER

TECHNOLOGIES, INC

High Roller Technologies CEO Seth Young to Participate in PREDICT 2026 Conference

LAS VEGAS, Nevada, Sept. 21, 2026 (GLOBE NEWSWIRE) -- High Roller Technologies, Inc. ("High Roller" or the "Company") (NYSE: ROLR), a publicly traded online gaming and prediction markets company, today announced that Chief Executive Officer Seth Young will participate in PREDICT 2026, The Prediction Markets Conference™, taking place October 6–7, 2026, at the New York Marriott Marquis in New York City. Young will participate in the following panel discussion:

Panel: *The Future of Interactive Gaming: Innovation, Technology & Scale*

Date: Tuesday, October 6, 2026

Time: 2:15–2:55 p.m. Eastern Time

Participants:

- Seth Young, Chief Executive Officer, High Roller Technologies
- Travis Geiger, Co-Founder, WagerWire
- Dustin Gouker, Founder, Event Horizon
- Dan Wallach, Gaming Law and Sports Betting Attorney, Wallach Legal US

As prediction markets gain traction, the panel will examine the technology, market-making, liquidity and payment infrastructure supporting new sectors at scale, along with the use of AI and data analytics to improve personalization and engagement and emerging opportunities across entertainment, esports, creator-driven markets and live events.

Young will also be available for one-on-one meetings during the conference. Investors, analysts and other interested parties may request a meeting through the conference's one-on-one meeting platform.

Registration: Details are available on the [PREDICT 2026 conference website](#).

Forward-Looking Statements

Certain statements in this press release constitute "forward-looking statements" within the meaning of the federal securities laws. Words such as "may," "might," "will," "should," "believe," "expect," "anticipate," "estimate," "continue," "predict," "forecast," "project," "plan," "intend" or similar expressions, or statements regarding intent, belief, or current expectations, are forward-looking statements. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions, the commercial launch timing of the ROLR™ prediction markets platform. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the ability of the Company to successfully complete the closed beta on the anticipated timeline, risks related to platform stability, scalability and technical readiness, the regulatory environment applicable to prediction markets, the Company's ability to attract and retain platform users, and general market and economic conditions and such factors as discussed throughout Part I, Item 1A. Risk Factors and Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our Annual Report on Form 10-K for the year ended December 31, 2025, Part I. Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations and Part II, Item 1A. Risk Factors, of our quarterly report on Form 10-Q for the quarter ended June 30, 2026 and in our other filings with the Securities and Exchange Commission. Any forward-looking statement made by us in this press release is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
