## **Pieris to Present at BioCentury Future Leaders in the Biotech Industry Conference**

**Freising, Germany, April 11, 2011 --**

Pieris AG announced today that Stephen Yoder, Chief Executive Officer, is scheduled to present at the 18<sup>th</sup> Annual BioCentury Future Leaders in the Biotech Industry Conference 2011, to be held Friday, April 15, 2011 at the Millennium Broadway Hotel & Conference Center in New York, New York. Mr. Yoder and Dr. Laurent Audoly, Chief Scientific Officer, will be available to respond to questions during a breakout session immediately following the presentation, and to participate in one-on-one meetings.

**Event:** BioCentury Future Leaders in the Biotech Industry Conference 2011

**Date:** Friday, April 15, 2011

**Time:** 9:30 am ET (Breakout Session: 10:00-10:30 am ET)

**Place:** The Millennium Broadway Hotel & Conference Center, New York, NY (Room 402/403)

Pieris AG is an independent, clinical-staged biotechnology company advancing its proprietary Anticalin<sup>®</sup> technology to create safer, more efficacious and more convenient protein therapeutics. Exclusive to Pieris, Anticalin-based drugs promise to address high-unmet medical needs and expand the therapeutic potential of current targeted approaches. Pieris' pipeline ranges from its Phase I compound, PRS-050 (anti-VEGF, oncology), to multiple Anticalins in preclinical development. The company has three ongoing collaborations: a drug discovery partnership with Takeda San Francisco; a multi-year, multi-target agreement with Sanofi-Aventis and Sanofi Pasteur (EUROMEXT: SAN and NYSE: SNY); and a deal with Allergan, Inc. (NYSE: AGN), focusing on novel treatments for eye diseases. Privately held, Pieris has been funded by premier biotechnology-focused venture capital, including lead investors OrbiMed Advisors and Global Life Science Ventures.
