October 30, 2025

Join BullFrog AI’s Exclusive Live Investor Webinar and Q&A Session on October 30

GAITHERSBURG, Md., Oct. 30, 2025 (GLOBE NEWSWIRE) -- BullFrog AI Holdings, Inc. (NASDAQ: BFRG; BFRGW) ("BullFrog AI" or the "Company"), a technology-enabled drug development company using artificial intelligence (“AI”) and machine learning to enable the successful development of pharmaceuticals and biologics, is pleased to invite investors to a webinar on October 30, 2025, at 4:15 p.m. ET.

The exclusive event, hosted by RedChip Companies, will feature BullFrog AI’s founder and CEO, Vin Singh. Attendees will gain insights into BullFrog AI’s pioneering role in transforming drug discovery and development through its scalable, AI-driven platforms, including the newly launched BullFrog Data Networks™ Solutions Library, powered by the proprietary bfLEAP™ causal AI engine. Recently expanded with the launch of bfPREP™, a cutting-edge module designed to automate data cleansing and standardization, BullFrog Data Networks™ Solutions Library offers clients a flexible, plug-and-play toolkit for every phase of the drug development lifecycle. Investors will also hear about BullFrog AI’s strategic global collaborations, including its partnership with leading CRO Sygnature Discovery, which is expected to drive significant revenue growth by expanding BullFrog’s commercial reach.

A live question and answer session will follow the presentation.

To register for the free webinar, please visit:

Questions can be pre-submitted to BFRG@redchip.com or online during the live event.

About BullFrog AI

BullFrog AI leverages Artificial Intelligence and machine learning to advance drug discovery and development. Through collaborations with leading research institutions, BullFrog AI uses causal AI in combination with its proprietary bfLEAP™ platform to analyze complex biological data, aiming to streamline therapeutics development and reduce failure rates in clinical trials.

Safe Harbor Statement

This press release contains forward-looking statements. We base these forward-looking statements on our expectations and projections about future events, which we derive from the information currently available to us. Such forward-looking statements relate to future events or our future performance, including: our financial performance and projections; our revenue and earnings; and our business prospects and opportunities. You can identify forward-looking statements by those that are not historical in nature, particularly those that use terminology such as "may," "should," “could,” “will,” "expects," "anticipates," "contemplates," "estimates," "believes," "plans," "projected," "predicts," "potential," or "hopes" or the negative of these or similar terms. In evaluating these forward-looking statements, you should consider various factors, including: our ability to change the direction of the Company; our ability to keep pace with new technology and changing market needs; our and our partners’ ability to market and sell our offerings and services, including BullFrog Data Networks™ and the competitive environment of our business. These and other factors may cause our actual results to differ materially from any forward-looking statement. Forward-looking statements are only predictions. The forward-looking events discussed in this press release and other statements made from time to time by us or our representatives, may not occur, and actual events and results may differ materially and are subject to risks, uncertainties, and assumptions about us. We are not obligated to publicly update or revise any forward-looking statement, whether as a result of uncertainties and assumptions, the forward-looking events discussed in this press release and other statements made from time to time by us or our representatives might not occur.
