Skillsoft Honored as a Top 20 Health and Safety Training Company by Training Industry

Global corporate learning leader recognized for health and safety training offerings

BOSTON--(BUSINESS WIRE)-- [Skillsoft](#), the global leader in corporate learning, announced today that Training Industry selected the company as a [Top 20 Health and Safety Training Company](#). Training Industry honored Skillsoft for providing one of the most sophisticated global libraries of legal coverage, ethics training and workplace safety training available.

"We are excited to be included as Top 20 Health and Safety Training Company," said [Bill Donoghue, chairman and CEO of the Skillsoft Group](#). "This award is a testimony to the investment we have made in the Skillsoft Compliance Solutions training to meet the needs of global organizations and ensure customers receive up-to-date, relevant and reliable content."

Skillsoft's [Compliance Solutions](#) protect over 1,600 organizations with a full suite of compliance training options tailored to each customer's unique requirements and objectives. The solutions offer a library of thousands of courses and videos on 475 critical legal and safety risk topics in 32 languages globally. To meet the needs of global organizations, market leading localized and translated content is available now for immediate use by Skillsoft's customers. The recent release of [new platinum scenario-based harassment prevention courses](#) demonstrates Skillsoft's commitment to implement a unique design approach throughout all compliance content.

Training Industry based their selection of this year's Top 20 Health and Safety Training Company List on the following criteria:

- Breadth and diversity of health and safety training offerings
- Ability to deliver training in preferred modalities
- Company size and growth potential
- Geographic and vertical reach
- Quality of clients

"The first annual Training Industry Top 20 Health and Safety Training Companies List includes the leading providers of regulatory and compliance training," said Ken Taylor, president of Training Industry, Inc. "Organizations look to these companies to provide training to reduce occupational health and safety risk and to ensure their workforce is legally compliant."
