TITAN MEDICAL

Titan Medical to Present at the Benzinga Global Small Cap Conference

TORONTO--(BUSINESS WIRE)-- [Titan Medical Inc.](#) (“Titan” or the “Company”) (TSX: TMD) (Nasdaq: TMDI), a medical device company focused on the design and development of surgical technologies for robotic single access surgery, announced today that David McNally, President, CEO and Chairman of Titan Medical, will present an overview of the Company and its [Enos™](#) single access surgical system to a live virtual audience at the Benzinga Global Small Cap Conference on Wednesday, December 9, 2020 at 1:30 p.m. ET. To view Mr. McNally’s presentation, please register in advance at: <https://www.benzinga.com/events/small-cap/>.

Benzinga is a financial media company providing syndicated content to 70 partner websites, including Yahoo! Finance MSN, CNNMoney, Fox Business and MarketWatch. Dedicated to making information easier to consume, Benzinga is hosting its inaugural Global Small Cap Conference to help bridge the gap between publicly traded companies, investors, and traders, enabling small-cap companies to network and communicate with a broad and diverse investor base.

About Titan Medical

Titan Medical Inc., a medical device company headquartered in Toronto, is focused on developing robotic assisted technologies for application in single access surgery. The Enos system, by Titan Medical, is being developed to become the new standard of care in robotic single access surgery, with dual 3D and 2D high-definition vision systems, multi-articulating instruments, and an ergonomic surgeon workstation. With the Enos system, Titan intends to initially pursue gynecologic surgical indications.

Certain of Titan’s robotic assisted surgical technologies and related intellectual property have been licensed to Medtronic plc, while retaining world-wide rights to commercialize the technologies for use with the Enos system.

Enos™ is a trademark of Titan Medical Inc.

Forward-Looking Statements

This news release contains “forward-looking statements” within the meaning of applicable Canadian and U.S. securities laws. Such statements reflect the current expectations of management of the Company’s future growth, results of operations, performance and business prospects and opportunities. Wherever possible, words such as “may”, “would”, “could”, “will”, “anticipate”, “believe”, “plan”, “expect”, “intend”, “estimate”, “potential for” and similar expressions have been used to identify these forward-looking statements, including references to: the Company’s focus on the design and development of surgical technologies for robotic single access surgery; the Company being focused on developing robotic assisted technologies for application in single access surgery; the Enos system being developed to become the new standard of care in robotic single access surgery with dual 3D and 2D high-definition vision systems, multi-articulating instruments, and an ergonomic surgeon workstation; the Company’s intention to initially pursue gynecologic surgical indications. These statements reflect management’s current beliefs with respect to future events and are based on information currently available to management. Forward-looking statements involve significant risks, uncertainties and assumptions. Many factors could cause the Company’s actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, without limitation, those listed in the “Risk Factors” section of the Company’s Annual Report on Form 20F dated March 30, 2020 (which may be viewed at www.sedar.com and at www.sec.gov). Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results, performance, or achievements may vary materially from those expressed or implied by the forward-looking statements contained in this news release. These factors should be considered carefully, and prospective investors should not place undue reliance on the forward-looking statements. Although the forward-looking statements contained in the news release are based upon what management currently believes to be reasonable assumptions, the Company cannot assure prospective investors that actual results, performance or achievements will be consistent with these forward-looking statements. Except as required by law, the Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
