About TLC:

One of the greatest legacies in music history can be summed up by just three letters—TLC.

Those characters merely hint at the talent of Tionne "T-Boz" Watkins, Rozonda "Chilli" Thomas, and the late Lisa "Left Eye" Lopes, but they immediately evoke an unparalleled journey nonetheless. That journey encompasses immortal anthems such as "Waterfalls," "Creep," "No Scrubs," and "Unpretty," to name a few, as well as sales of 70 million records worldwide, four GRAMMY® Awards, two RIAA diamond-certified albums among a total of four multiplatinum albums, ten Top 10 singles, and four Number 1 singles. Meanwhile, the VH1 original film *CrazySexyCool: The TLC Story* chronicled their rise and broke records as the highest-rated television film premiere of 2013 and the highest-rated original premiere on the network between consistent touring.

Given the legacy behind this timeless moniker, it's fitting the undisputed "*best-selling American girl-group of all-time*" chose the name *TLC* for their fifth and first album in 15 years. TLC went as hard as ever in the booth. As a result, the music picks up exactly

where they left off just sharper, smarter, sassier, and even a little sexier than before. The same inimitable chemistry simultaneously drives all twelve tracks, which shot the album straight to the #1 spot on the Billboard Top 100 Chart.

About Flo Rida:

Flo Rida is one of today's most vibrant and recognizable superstars, a true international icon and history-making hip-hop hero. Since bursting out of the gate a decade ago in 2007 with the RIAA 7x platinum certified hit, "Low (Feat. T-Pain)" – which spent 10 consecutive weeks atop the Billboard "Hot 100" – the Miami-based rapper has unleashed an undeniably amazing string of record-breaking, multi-platinum certified singles, including the worldwide #1 favorite, "Right Round (Feat. Ke\$ha)" (5x platinum), "In The Ayer (Feat. will.i.am)" (2x platinum), "Club Can't Handle Me (Feat. David Guetta)," (3x platinum), "Good Feeling" (4x platinum), "Wild Ones (Feat. Sia)" (2x platinum), "Whistle" (2x platinum), and "I Cry" (2x platinum). In addition, Flo has made myriad guest appearances on such blockbuster tracks as David Guetta's platinum certified "Where Them Girls At (Feat. Flo Rida & Nicki Minaj)," Olly Murs' platinum certified "Troublemaker (Feat. Flo Rida)," and Taio Cruz' planetary chart-topper, "Hangover (Feat. Flo Rida)." All told, Flo Rida has sold well over 100 million singles worldwide.
