April 26, 2023

Dear Shareholders,

With the transition from a private to a public company behind us, 2022 proved to be an eventful year, one in which we advanced and refined our strategy and enhanced our opportunity for future growth.

There were a number of notable and strategically significant milestones that have set the stage for our continued evolution and growth. With the acquisition of the casual gamemaker, Brainium, our mobile rights to Tetris and the continued refinements to our Bingo product, we've significantly expanded our game portfolio, diversified our business model, and more than doubled our player network, topping 3.2 million daily active users in the fourth quarter. With chance-based games now representing just 6 of our 17 games and one-third of our players, we've evolved from a pure social casino operator to a diversified game publisher, a key transition as we look to solidify our market standing as the leaders in rewarded play.

Our playAWARDS division has continued to expand by reaching more players and adding a collection of new and exciting partnerships. Vitally, we have focused the power of the playAWARDS platform on two related yet separate businesses: our existing player engagement model, actualized through our industry-leading loyalty program, myVIP, and an expanding suite of marketing and advertising services to our Rewards Partners, which are aimed at bringing together great brands and our growing audience of passionate consumers.

These advances have allowed us to further validate the virtuous qualities of our unique model. As our network of rewarded-play gamers grows, so, too, does the interest among rewards partners in becoming part of our dynamic marketing environment; and as our rich collection of awards grows, so, too, will our player base and our appeal to third party developers. Together, this cycle empowers us to drive growth and lessen our dependence on the more challenging, performance-based marketing.

This past year also saw us move to more tightly align our organizational structure to our business model. In 2022, we implemented a new framework, bringing even more focus and clarity to our two core divisions: playAWARDS, and playGAMES. In doing so, we've concentrated our game leadership in Tel Aviv and playAWARDS management in Las Vegas. This structure allows us to more fully leverage what we've learned, coordinate our efforts, and adopt best practices with speed and efficiency.

As part of these changes, in early 2023, we elected to transition the leadership of myVEGAS and myKONAMI slots to our Tel Aviv team and support their execution from our new studios in Asia and Southeastern Europe. This will allow us to leverage our most experienced and skilled game operators, and tap our deep and talented teams of game-makers in each of our global studios

In addition to these structural changes, we also strengthened our executive team with the addition of Mickey Sonnino as global Chief Operating Officer. Ms. Sonnino is based in Tel Aviv and works closely with Yossi Sadoun, who was appointed head of games. Rob Oseland continues in his role as head of playAWARDS.

All of these investments and changes have been implemented with a view to the future. With our diversified game portfolio, expanded player network, portfolio of strategic partners, and teams of talented game-makers, your company is stronger and better positioned to realize its future potential than ever.

Sincerely,

Andrew Pascal
Chairman of the Board and Chief Executive Officer

SECURITIES ENTITLED TO VOTE

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered the "stockholder of record," with respect to those shares. The notice will be sent to you by mail directly by us. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting virtually, we urge you to vote on the Internet or by phone as instructed in the notice or by proxy by mail by requesting a paper copy of the proxy materials as instructed in the notice to ensure your vote is counted.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, or other agent on how to vote the shares in your account. Your brokerage firm, bank, or other agent will not be able to vote in the election of directors unless they have your voting instructions, so it is very important that you indicate your voting instructions to the institution holding your shares.

Only stockholders of record at the close of business on the Record Date are entitled to notice of the Annual Meeting. Such stockholders may vote shares held by them at the close of business on the Record Date at the Annual Meeting. As of the close of business on the Record Date, there were 116,266,855 shares of Class A common stock outstanding and 16,457,769 shares of Class B common stock outstanding. Each share of Class A common stock is entitled to one vote per share on each proposal to be considered by our stockholders and each share of Class B common stock is entitled to 20 votes per share on each proposal to be considered by our stockholders.

As a beneficial owner of shares, you are also invited to attend the Annual Meeting virtually. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank, or other agent.

MATTERS SCHEDULED FOR A VOTE

There are two matters scheduled for a vote:

- Proposal 1: To elect six directors for a one-year term; and
- Proposal 2: To ratify the appointment of Deloitte & Touche LLP ("Deloitte") as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

Aside from the election of directors and the ratification of the appointment of our independent registered public accounting firm, our Board of Directors knows of no matters to be presented at the Annual Meeting. If any other matter is properly brought before the Annual Meeting, shares represented by all proxies received by our Board of Directors will be voted with respect thereto in accordance with the judgment of the persons appointed as proxies.

BOARD OF DIRECTORS VOTING RECOMMENDATION

Our Board of Directors recommends that you vote your shares:

- “For” the election of all director nominees; and
- “For” the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

VOTING AT THE ANNUAL MEETING VIRTUALLY

For proposal 1, you may vote “For All”, “Withhold All”, “For All Except”, or abstain from voting with respect to each nominee to the Board of Directors. For proposal 2, you may vote “For”, “Against”, or abstain from voting. The procedures for voting are outlined below.

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record as of the Record Date, you may vote during the Annual Meeting by attending the Annual Meeting virtually and following the instructions posted at <http://viewproxy.com/PLAYSTUDIOS/2023/htype.asp>, by proxy over the Internet, or by phone by following the instructions provided in the notice, or, if you request printed copies of the proxy materials by mail, you may vote by mail. If your proxy is properly executed in time to be voted at the Annual Meeting, the shares represented by the proxy will be voted in accordance with the instructions you provide. Whether or not you plan to attend the Annual Meeting virtually, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting virtually and vote during the Annual Meeting if you have already voted by proxy.

1. To vote during the Annual Meeting, follow the instructions posted at <http://viewproxy.com/PLAYSTUDIOS/2023/htype.asp>. You will be asked to provide the 11-digit control number from the notice and follow the instructions.
2. To vote on the Internet, go to www.FCRVote.com/MYPS to complete an electronic proxy card. You will be asked to provide the 11-digit control number from the notice and follow the instructions. Your vote must be received by 11:59 p.m., Eastern Time, on June 5, 2023 to be counted.
3. To vote by phone, request a paper or email copy of the proxy materials by following the instructions on the notice and call the number provided with the proxy materials to transmit your voting instructions. Your vote must be received by 11:59 p.m., Eastern Time, on June 5, 2023 to be counted.
4. To vote by mail, request a paper copy of the proxy materials by following the instructions on the notice and complete, sign, and date the proxy card enclosed with the paper copy of the proxy materials and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank, or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a notice and voting instructions from that organization rather than from us. Simply follow the instructions to ensure that your vote is counted. To vote in person at the Annual Meeting you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker, bank, or other agent included with the notice, or contact your broker, bank, or other agent.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

VOTE REQUIRED

In accordance with our Certificate of Incorporation, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of our voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of a plurality of the total votes cast for directors at the Annual Meeting is necessary to elect a director. No cumulative voting is permitted. The six nominees receiving the highest number of votes cast "for" will be elected.

The affirmative vote of a majority of the voting power represented at the Annual Meeting is required to approve the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023. The total number of votes cast "for" will be counted for purposes of determining whether sufficient affirmative votes have been cast to approve the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

Votes withheld and abstentions from voting on a proposal by a stockholder at the Annual Meeting, as well as broker nonvotes, will be included for purposes of determining the number of total votes present at the Annual Meeting. Abstentions will have the same effect as votes "against" the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023. However, abstentions and votes withheld will not be counted as "against" or "for" the election of directors. Broker nonvotes will not be considered in determining the election of directors or the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

Andrew Pascal, our Chairman and Chief Executive Officer, currently possesses approximately 76% of the total voting power of our outstanding shares. Please see "Security Ownership of Certain Beneficial Owners and Management" below. Mr. Pascal has indicated his intention to vote: (1) for the election of each of the director nominees and (2) for the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Accordingly, the election of each of the director nominees and the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2023 are assured notwithstanding a contrary vote by any or all stockholders other than Mr. Pascal.

HOW TO CHANGE YOUR VOTE AFTER SUBMITTING PROXY

You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are a stockholder of record, you may revoke your proxy in any one of three ways:

1. You may submit a duly executed proxy card with a later date or time than the previously submitted proxy;
2. You may send a written notice that you are revoking your proxy to our Secretary, Joel Agena, c/o PLAYSTUDIOS, Inc., 10150 Covington Cross Drive, Las Vegas, NV 89144; or
3. You may submit a later-dated vote on the Internet or by phone or a ballot cast online during the Annual Meeting (simply virtually attending the Annual Meeting will not, by itself, revoke your proxy).

If you are a beneficial owner, you may revoke your proxy by submitting new instructions to your broker, bank, or other agent, or if you have received a proxy from your broker, bank, or other agent giving you the right to vote your shares at the Annual Meeting, by attending the meeting virtually and voting during the meeting.

HOW TO SUBMIT STOCKHOLDER PROPOSALS FOR NEXT YEAR'S ANNUAL MEETING

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), some stockholder proposals may be eligible for inclusion in our 2024 proxy statement. Any such proposal must be submitted in writing by December 29, 2023 to our Secretary, Joel Agena, c/o PLAYSTUDIOS, Inc., 10150 Covington Cross Drive, Las Vegas, NV 89144. If we change the date of our 2024 Annual Meeting by more than thirty days from the date of the previous year's annual meeting, the deadline shall be a reasonable time before we begin to print and send our proxy materials. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities laws and our Bylaws. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

Our Bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders, but do not intend for the proposal to be included in our proxy statement. Our Bylaws provide that if you wish to submit a proposal that is not to be included in next year's proxy statement or nominate a director, a timely written notice of a stockholder proposal must be delivered to, or mailed and received by our Secretary, Joel Avena, care of PLAYSTUDIOS, Inc., 10150 Covington Cross Drive, Las Vegas, NV 89144, no earlier than the 150th day and no later than the 120th day prior to the anniversary of the preceding year's annual meeting of stockholders. Therefore, we must receive notice of such stockholder proposal no earlier than January 7, 2024 and no later than February 6, 2024, which notice must contain the information specified in our Bylaws. If we change the date of our 2024 Annual Meeting by more than thirty days before, or more than 70 days after, the one-year anniversary of the 2023 Annual Meeting, then the written notice of a stockholder proposal that is not intended to be included in our proxy statement must be delivered, or mailed and received, no earlier than 120th day prior to our 2023 Annual Meeting date and no later than the 70th day prior to our 2024 Annual Meeting or, if later, the tenth day following the day on which certain public disclosure as described in our Bylaws of the meeting date is made. The public announcement of an adjournment or postponement of the 2024 Annual Meeting does not commence a new time period (or extend any time period) for the giving of a stockholder's notice as described in this Proxy Statement. You are advised to review our Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominees.

Any stockholder who intends to solicit proxies in support of a director nominee other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 8, 2024. However, if we change the date of our 2024 Annual Meeting by more than thirty calendar days from the one-year anniversary of the 2023 Annual Meeting, then such notice must be provided by the later of 60 calendar days prior to the date of the annual meeting or the tenth calendar day following the day on which public announcement of the date of the annual meeting is first made by us.

HOUSEHOLDING

We have adopted a procedure approved by the U.S. Securities and Exchange Commission (the "SEC") called "householding." Under this procedure, service providers that deliver our communications to stockholders may deliver a single copy of our Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials to multiple stockholders sharing the same address, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards. This householding procedure reduces our printing costs and postage fees.

We will deliver promptly upon written or oral request a separate copy of our Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, as applicable, to a stockholder at a shared address to which a single copy of the documents was delivered. In order to receive a separate copy of our Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, please notify Broadridge Financial Solutions at www.ProxyVote.com or contact us at:

**PLAYSTUDIOS, Inc.
10150 Covington Cross Drive
Las Vegas, NV 89144
(725) 877-7000**

If you are eligible for householding, but you and other stockholders with whom you share an address currently receive multiple copies of our Annual Reports, Proxy Statements and/or Notices of Internet Availability of Proxy Materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of our Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials for your household, please contact Broadridge Financial Solutions in the manner provided above.

HOW TO OBTAIN THE RESULTS OF VOTING AT ANNUAL MEETING

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting. If final

voting results are not available to us within four business days following the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will file an additional Current Report on Form 8-K to publish the final voting results within four business days of such final voting results being made available to us.

COSTS OF SOLICITATION

The costs of preparing, printing, and assembling the materials used in the solicitation of proxies from our stockholders are borne by the Company. In addition to the solicitation of proxies by mail, we may use the services of certain of our employees (for no additional compensation) to solicit proxies personally and by mail, telephone and electronic means from brokerage firms and other stockholders. We may also reimburse brokerage firms, banks and other agents, upon their request, for the costs of forwarding our proxy materials to beneficial owners of stock held in their name.

OUR MAILING ADDRESS

Our mailing address is 10150 Covington Cross Drive, Las Vegas, NV 89144.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

NOMINEES

Our stockholders will elect a Board of six directors at the Annual Meeting. Each of the directors is expected to hold office until the next annual meeting of our stockholders, or until his or her respective successor shall be duly elected and qualified. The affirmative vote of a plurality of the total votes cast for directors is necessary to elect a director. This means that the six nominees who receive the most votes will be elected to the six open directorships, even if they get less than a majority of the votes cast. Each nominee has consented to his or her nomination and has advised us that he or she intends to serve if elected. If at the time of the Annual Meeting one or more of the nominees have become unable to serve: (i) shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees; or (ii) the Board of Directors may, in accordance with our Bylaws, reduce the size of the Board of Directors or may leave a vacancy until a nominee is identified.

The following is a brief biography of each nominee for director and a discussion of the specific experience, qualifications, attributes, or skills for each nominee that led the Nominating and Corporate Governance Committee of the Board of Directors to recommend that person as a nominee for director as of the date of this Proxy Statement.

CORPORATE GOVERNANCE MATTERS

CORPORATE GOVERNANCE GUIDELINES

Our Board has adopted Corporate Governance Guidelines that address, among other topics, the role and responsibilities of our directors, the structure and composition of our Board, and corporate governance policies and standards applicable to us in general. The Corporate Governance Guidelines are subject to periodic reviews and changes by our Nominating and Corporate Governance Committee and our Board. The full text of our Corporate Governance Guidelines is available on the investor relations page on our website at ir.playstudios.com.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a code of business conduct and ethics that applies to all of our employees, officers, and directors, including our chief executive officer, chief financial officer, and other executive and senior financial officers. The full text of our code of business conduct and ethics is available on the investor relations page on our website at ir.playstudios.com. We intend to post any amendment to our code of business conduct and ethics, and any waivers of its requirements, on our website or in filings under the Exchange Act to the extent required by applicable rules or regulations or listing requirements of The Nasdaq Stock Market LLC ("Nasdaq"). Information on or that can be accessed through our website is not part of this Proxy Statement.

CONTROLLED COMPANY EXEMPTION

Andrew Pascal and his affiliates, directly and indirectly beneficially own or control more than 50% of the combined voting power for the election of directors. As a result, we are a "controlled company" within the meaning of the corporate governance standards of Nasdaq and may elect not to comply with certain corporate governance standards, including, but not limited to, the following requirements:

- that a majority of the Board of Directors consist of directors who qualify as "independent" as defined under the rules of Nasdaq;
- that we have a nominating and corporate governance committee and, if we have such a committee, that it is composed entirely of independent directors; and
- that we have a compensation committee and, if we have such a committee, that it is composed entirely of independent directors.

Although as of the date of this Proxy Statement, we do not utilize any of these exemptions, we may elect to utilize one or more of these exemptions for so long as we remain a "controlled company." Accordingly, you may not have the same protections afforded to stockholders of companies that are subject to all of these corporate governance requirements. In the event that we cease to be a "controlled company" and our shares continue to be listed on Nasdaq, we will be required to comply with these provisions within the applicable transition periods.

DIRECTOR INDEPENDENCE

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, we have determined that James Murren, Jason Krikorian, Joe Horowitz, and Judy K. Mencher, representing four of PLAYSTUDIOS' six directors, are "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq.

ROLE OF BOARD IN RISK OVERSIGHT

The Board of Directors has extensive involvement in the oversight of risk management related to the Company and our business and accomplishes this oversight through the regular reporting to the Board of Directors by

the Audit Committee. The Audit Committee represents the Board of Directors by periodically reviewing our accounting, reporting, and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, and our compliance with legal and regulatory requirements. Through its regular meetings with management, including the finance, legal, internal audit, and information technology functions, the Audit Committee reviews and discusses all significant areas of our business and summarizes for the Board of Directors all areas of risk, including those related to cybersecurity, information security and data privacy, and the appropriate mitigating factors. In addition, the Board of Directors receives periodic detailed operating performance reviews from management. Due to the role the Board of Directors takes in risk oversight, the Board of Directors believes its leadership structure must allow it to effectively oversee the management of applicable risks related to the Company and its operations. The Board of Directors believes its current leadership structure enables it to effectively provide such oversight.

COMMUNICATIONS WITH DIRECTORS

Interested parties may communicate with our Board or with an individual director by writing to our Board or to the particular director and mailing the correspondence to: PLAYSTUDIOS, Inc., 10150 Covington Cross Drive, Las Vegas, NV 89144. The Corporate Secretary will promptly relay to the addressee all communications that he determines require prompt attention and will regularly provide our Board with a summary of all substantive communications.

BOARD QUALIFICATIONS

Our Board has delegated to our Nominating and Corporate Governance Committee the responsibility for recommending to our Board the nominees for election as directors at the annual meeting of stockholders and for recommending persons to fill any vacancy on our Board. Directors are selected on the basis of experience in finance and business, and knowledge about the Company and the industry in which we operate. As a majority of our Board must consist of individuals who are independent, since we are not utilizing any of the “controlled company” exemptions, a nominee’s ability to meet the independence criteria established by the listing requirements of Nasdaq is also a factor in the nominee selection process.

For a better understanding of the qualifications of each of our directors, we encourage you to read their biographies set forth in this Proxy Statement.

DIRECTOR NOMINATIONS

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by stockholders so long as the recommendations comply with our Certificate of Incorporation and Bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. The Nominating and Corporate Governance Committee will evaluate such recommendations in accordance with its charter, our Certificate of Incorporation and Bylaws, our corporate governance guidelines, and the regular nominee criteria described above. Stockholders wishing to recommend a candidate for nomination should comply with the procedures set forth in the section above entitled “How to Submit Stockholder Proposals for Next Year’s Annual Meeting.”

ATTENDANCE AT ANNUAL MEETING

The Company does not have a formal policy requiring the members of our Board of Directors to attend its annual meetings of stockholders, although directors are encouraged to attend annual meetings of stockholders. Two of the Company’s directors attended the 2022 annual meeting of stockholders.

RELATED-PARTY TRANSACTION POLICY

The Board of Directors has adopted a written related party transaction approval policy pursuant to which the Audit Committee will review and approve or take such other actions as it may deem appropriate with respect to the following transactions:

- a transaction in which we are a participant and which involves an amount exceeding \$120,000 and in which any of our directors, officers or 5% stockholders, or any other “related person” as defined in Item 404 of SEC Regulation S-K (“Item 404”), has or will have a direct or indirect material interest; and
- any other transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404.

In reviewing and approving any such transactions, the policy requires that the Audit Committee consider the relevant facts and circumstances available and deemed relevant, including the nature of the related person’s interest in the transaction and whether the transaction is on terms comparable to those that could be obtained in an arm’s length transaction. This policy also provides that the following transactions are deemed pre-approved:

- decisions on compensation of our directors or executive officers, if required to be disclosed in our proxy statement;
- certain ordinary course transactions where a related person has a limited interest;
- transactions where a related person’s interest or benefit arises solely from such person’s ownership of our securities and holders of such securities receive the same benefit on a pro rata basis; and
- transactions where the rates or charges involved in the transactions are determined by competitive bids.

Other than the transactions described below under “Certain Relationships and Related-Party and Other Transactions,” there have been no other related person transactions that require disclosure under the SEC rules since the beginning of our last completed fiscal year.

BOARD LEADERSHIP STRUCTURE

Our Board will fill the Chairman of our Board and CEO positions based upon our Board’s view of what is in the best interests of PLAYSTUDIOS. The CEO and Chairman may, but need not be, the same person. Currently, Andrew Pascal is our CEO and the Chairman of our Board. Jason Krikorian is our lead independent director. The lead director serves as the principal liaison between the independent directors and the Chairman of our Board. In that capacity, the lead director presides over executive sessions of the independent directors, chairs Board meetings in the Chairman’s absence, and collaborates with the Chairman of our Board on agendas, schedules and materials for Board meetings.

We believe this leadership structure is best for the Company and our stockholders at this time. Having a single leader for both PLAYSTUDIOS and our Board minimizes the potential for confusion or duplication of efforts, and provides clear leadership and accountability for the Company. We believe there is good communication between management and our non-employee directors, and that our non-employee directors are able to carry out their oversight responsibilities effectively.

Our Board believes that management speaks for PLAYSTUDIOS. While individual non-employee directors may, from time-to-time, meet or otherwise communicate with various constituencies that are involved with us, it is expected that directors would do this with the knowledge of management and, absent unusual circumstances, only at the request of management.

BOARD MEETINGS AND COMMITTEES

Our Board of Directors met seven times during 2022. Each of our incumbent directors attended or participated in at least 75% of the aggregate number of (i) the meetings of the Board and (ii) the meetings of the respective committees of which the applicable director was a member. Our Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee, each of which has the composition and responsibilities described below. Members serve on these committees until their resignation or until otherwise determined by the Board of Directors. Each committee is governed by a written charter. Each committee charter is posted on our website at <https://ir.playstudios.com/corporate-governance/board-committees>. From time to time, our Board may also establish other, special committees when necessary to address specific issues.

Audit Committee

Our Audit Committee met four times during 2022. The Audit Committee consists of Jason Krikorian, Judy K. Mencher, and James Murren, each of whom is a non-employee member of the Board of Directors. James Murren is the chair of the Audit Committee. The Board of Directors has determined that each of the members of the Audit Committee satisfies the requirements for independence and financial literacy under the rules and regulations of Nasdaq and the SEC. The Board of Directors has also determined that James Murren qualifies as an “audit committee financial expert” as defined in the SEC rules and regulations and satisfies the financial sophistication requirements of Nasdaq. The Audit Committee is responsible for, among other things:

- selecting and hiring a registered public accounting firm;
- evaluating the performance and independence of the registered public accounting firm;
- approving the audit and pre-approving any non-audit services to be performed by the registered public accounting firm;
- reviewing the integrity of our financial statements and related disclosures and reviewing our critical accounting policies and practices;
- reviewing the adequacy and effectiveness of our internal control policies and procedures and our disclosure controls and procedures;
- overseeing procedures for the treatment of complaints relating to accounting, internal accounting controls or audit matters;
- reviewing and discussing with management and the registered public accounting firm the results of the annual audit, our quarterly financial statements, and our publicly filed reports;
- establishing procedures for employees to anonymously submit concerns about questionable accounting or audit matters;
- reviewing and approving in advance any proposed related-person transactions; and
- preparing the Audit Committee report that the SEC requires in our annual proxy statement.

Compensation Committee

Our Compensation Committee met four times during 2022. The Compensation Committee consists of Joe Horowitz and Judy K. Mencher, each of whom is a non-employee member of the Board of Directors. Judy K. Mencher is the chair of the Compensation Committee. The Board of Directors has determined that each member of the Compensation Committee meets the requirements for independence under the rules and regulations of Nasdaq and the SEC. The Compensation Committee is responsible for, among other things:

- determining, or recommending to the Board of Directors for determination, the compensation of the executive officers, including the chief executive officer;
- overseeing and setting compensation for the members of the Board of Directors;
- administering our equity compensation plans;
- overseeing our overall compensation policies and practices, compensation plans, and benefits programs; and
- preparing the compensation committee report that the SEC may require in our annual proxy statement.

In determining, or recommending for determination, executive officer compensation, the Compensation Committee considers individual and company goals and performance, as well as data sources regarding compensation paid by comparable companies. In furtherance of its oversight duties, the Compensation Committee conducts reviews and evaluations of the Company's overall and executive compensation and benefits practices, plans and policies generally, including the review and recommendation of any incentive-compensation and equity-based plans of the Company that are subject to Board approval.

The Compensation Committee may delegate its authority to subcommittees or the Chair of the Compensation Committee when it deems it appropriate and in our best interests. The Compensation Committee may

delegate to one or more officers the authority to make grants and awards of stock rights or options to any non-Section 16 officer under such of the Company's incentive-compensation or other equity-based plans as the Compensation Committee deems appropriate and in accordance with the terms of such plans. The Compensation Committee may delegate to one or more officers the authority to set overall compensation policies and practices, compensation plans and benefits programs as the Compensation Committee deems appropriate, other than with respect to our executive officers.

The Compensation Committee has the sole authority to retain or obtain the advice of a compensation consultant, legal counsel, or other adviser and shall be directly responsible for the appointment, compensation, and oversight of the work of any such adviser retained by the Compensation Committee.

The Compensation Committee engaged Compensia, Inc., a national compensation consulting firm, as an independent compensation consultant in the last fiscal year to assist with advice on executive compensation, director compensation, and other compensation consulting. Compensia did not provide any other material services (separate from consulting advice provided to the Compensation Committee) in 2022.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee met two times during 2022. The Nominating and Corporate Governance Committee consists of Joe Horowitz and Jason Krikorian, each of whom is a non-employee member of the Board of Directors. Jason Krikorian serves as the chair of the Nominating and Corporate Governance Committee. The Board of Directors has determined that each member of our Nominating and Corporate Governance Committee meets the requirements for independence under the rules and regulations of Nasdaq and the SEC. The Nominating and Corporate Governance Committee is responsible for, among other things:

- evaluating and making recommendations regarding the composition, organization and governance of the Board of Directors and its committees;
- reviewing and making recommendations with regard to our corporate governance guidelines and compliance with laws and regulations;
- reviewing conflicts of interest of the directors and executive officers and proposed waivers of our corporate governance guidelines and code of business conduct and ethics; and
- evaluating the performance of the Board of Directors and its committees.

When evaluating candidates and making recommendations for director nominees, including incumbents, the Nominating and Corporate Governance Committee reviews and considers our current and future needs to ensure that the Board of Directors has the appropriate balance of knowledge, experience, skills, expertise, judgment, perspectives, and backgrounds. The Nominating and Corporate Governance Committee also seeks appropriate input from senior management in assessing the needs of the Board of Directors for relevant knowledge, experience, skills, expertise, judgment, perspective, and background of its members.

The Nominating and Corporate Governance Committee's goal is to assemble a Board that brings the Company a diversity of experience at policy-making levels in areas that are relevant to our activities. Directors should possess the highest personal and professional ethics, integrity, and values and be committed to representing the long-term interests of our stockholders. They must have an inquisitive and objective outlook and mature judgment. They must also have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are, or have been, affiliated. Director candidates must have sufficient time available, in the judgment of the Nominating and Corporate Governance Committee, to perform all Board and committee responsibilities that will be expected of them. Directors are expected to rigorously prepare for, attend and participate in all meetings of the Board of Directors and applicable committees. While we do not have a specific policy regarding diversity, when considering the nomination of directors, the Nominating and Corporate Governance Committee does consider the diversity of its directors and nominees in terms of knowledge, experience, skills, expertise, judgment, perspective, background, and other demographic factors. Other than the foregoing, there are no specific minimum criteria for director nominees. The Nominating and Corporate Governance Committee believes it appropriate for one or more key members of the Company's management, including the Chief Executive Officer, to serve on the Board of Directors.

If the Board determines to seek directors for nomination, the Nominating and Corporate Governance Committee will consider candidates proposed by directors or management, and will evaluate any such candidates against the criteria and pursuant to the policies and procedures set forth above. The Nominating and Corporate Governance Committee may engage, as appropriate, a third party search firm to assist in identifying qualified

candidates. The nominating process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee. In addition, the Nominating and Corporate Governance Committee may consider recommendations for nominees that are timely submitted by stockholders if such recommendations are delivered in the manner prescribed by the advance notice provisions contained in our Bylaws.

DIRECTOR COMPENSATION

We have adopted a non-employee director compensation program which is designed to provide competitive compensation necessary to attract and retain high quality non-employee directors and to encourage ownership of our stock to further align their interests with those of our stockholders. The program provides the following compensation for non-employee directors:

- An annual cash retainer of \$40,000;
- An annual cash retainer of \$5,000 for the chair of a board committee;
- An annual cash retainer of \$10,000 for members of each committee;
- An annual grant of restricted stock units ("RSUs") under the 2021 Equity Incentive Plan (the "2021 Plan") with a target grant value of \$150,000 for each director who has completed six months' service, which vests quarterly over one year; and
- An additional annual cash retainer of \$20,000 for serving as our non-executive chair, if applicable.

OWNERSHIP OF COMMON STOCK

The following table sets forth information regarding the beneficial ownership of our Class A common stock and Class B common stock as of April 12, 2023 by:

- each of our directors and executive officers;
- all directors and executive officers as a group; and
- each person who is known to us to own beneficially more than 5% of our common stock.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are exercisable or exercisable within 60 days. In computing the number of shares of Class A common stock or Class B common stock held by a beneficial owner and that holder's percentage ownership, shares of our Class A common stock or Class B common stock subject to options and warrants held by that person that are currently exercisable or exercisable within 60 days of April 12, 2023, as well as RSUs that are expected to vest and settle within 60 days of April 12, 2023, are deemed to be outstanding. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

The percentage ownership of common stock is based on 116,266,855 shares of Class A common stock and 16,457,769 shares of Class B common stock outstanding as of April 12, 2023.

Each outstanding share of our Class B common stock is convertible at any time at the election of the holder into one share of Class A common stock.

Unless otherwise indicated and subject to applicable community property laws, we believe that all persons named in the table have sole voting and investment power with respect to all shares of our Class A common stock or Class B common stock beneficially owned by them. The information provided in the table is based on our records, information filed with the SEC, and information provided to us, except as otherwise noted.

common stock subject to stock options that are currently exercisable or exercisable within 60 days of April 12, 2023 and RSUs that are expected to vest and settle within 60 days of April 12, 2023 are deemed to be outstanding and to be beneficially owned by the person holding such stock options or RSUs for purposes of computing the percentage ownership of that person but are not treated as outstanding for purposes of computing the percentage ownership of any other person.

PROHIBITION ON HEDGING

Directors, officers, and employees are prohibited from engaging in any derivative transactions (including transactions involving options, puts, calls, prepaid variable forward contracts, equity swaps, collars and exchange funds or other derivatives) that are designed to hedge or speculate on any change in the market value of the Company's equity securities. Directors, officers, and employees are also prohibited from shorting the Company's stock. Hedging transactions may permit a director, officer, or employee to continue to own our securities obtained through employee benefit plans or otherwise, but without the full risks and rewards of ownership. When that occurs, the director, officer, or employee may no longer have the same objectives as our other stockholders.

POLICY ON STOCK PLEDGING

Our Insider Trading Policy prohibits pledges of our securities by employees, officers, and directors in any circumstance, including by purchasing Company securities on margin or holding Company securities in a margin account.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of a registered class of our equity securities to file reports of beneficial ownership and changes in beneficial ownership with the SEC. A Form 4 was not timely filed with the SEC reporting the open market purchase on January 24, 2022 of shares of Class A common stock by the Pascal Family Trust, of which Mr. Pascal is a beneficial owner; however, a Form 4 corresponding to such reporting event was subsequently filed with the SEC on January 28, 2022. Such transaction was consummated pursuant to a previously established Rule 10b5-1 trading plan and Mr. Pascal was not informed of the transaction until after it had occurred.

To our knowledge, based upon our review of reports filed with the SEC and written representations that no other reports were required, we believe that, during the fiscal year ended December 31, 2022, there were no other failures to timely file reports by persons required to file reports under Section 16(a) of the Exchange Act.

EXECUTIVE COMPENSATION

This section provides an overview of our executive compensation programs, including a narrative description of the material factors necessary to understand the information disclosed in the summary compensation table below.

For the years ended December 31, 2022 and December 31, 2021, our named executive officers ("Named Executive Officers" or "NEOs") were:

- Andrew Pascal, Chairman and Chief Executive Officer;
- Scott Peterson, Chief Financial Officer; and
- Joel Agena, General Counsel and Secretary.

The objective of our compensation program is to provide a total compensation package to each NEO to enable us to attract, motivate and retain outstanding individuals, align the interests of our executive team with those of our equity holders, encourage individual and collective contributions to the successful execution of our short- and long-term business strategies and reward NEOs for performance. The Board of Directors has historically determined the compensation for the NEOs, with the CEO providing his recommendation regarding the compensation for the other NEOs.

For the years ended December 31, 2022 and December 31, 2021, the compensation program for the NEOs consisted of base salary and incentive compensation delivered in the form of an annual cash bonus, each as described below:

- **Base Salary.** Base salary is paid to attract and retain qualified talent and is set at a level that is commensurate with the NEO's duties and authorities, contributions, prior experience, and sustained performance.
- **Annual Cash Bonus.** Annual cash bonuses are paid to incentivize the NEOs to achieve our annual financial and operating performance metrics goals and are paid at the discretion of the Board of Directors.
- **Equity-Based Long-Term Incentive Compensation.** Equity compensation is provided in the form of restricted stock units with multi-year vesting to align NEO's interests with our stockholders' interests and to emphasize long-term financial performance and executive retention.

EMPLOYMENT AGREEMENTS

None of the NEOs have employment agreements with us, and all of our NEOs are at-will employees. In certain cases, we exchange offer letters with our NEOs and other employees that set forth compensation and other terms of their at-will employment (and, in Mr. Agena's case, eligibility to receive reimbursement of up to \$1,000 per month for costs associated with office space and the severance protection described below under "Potential Payments Upon Termination or Change in Control").

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Pursuant to the stock option award agreements with Messrs. Pascal, Peterson, and Agena under the Old PLAYSTUDIOS Option Plan, 50% of the stock options granted to them (or 100% of the then unvested stock options if more than 50% of the award is already vested) vest and become exercisable upon either (i) a "change in control" (as defined in the Old PLAYSTUDIOS Option Plan), (ii) an "involuntary termination" (as defined in the stock option award agreements) or (iii) for Mr. Pascal, his involuntary removal from the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED-PARTY AND OTHER TRANSACTIONS

SPONSOR SHARES

On September 15, 2020, Acies Acquisition, LLC, the sponsor of the SPAC in the Business Combination (the "Sponsor"), purchased 8,625,000 shares of Acies Class A ordinary shares which converted into our Class A common stock upon the closing of the Business Combination (the "Sponsor Shares") for an aggregate purchase price of \$25,000, or approximately \$0.003 per share. On October 20, 2020, the Sponsor cancelled an aggregate of 2,875,000 Sponsor Shares, and on November 9, 2020, forfeited an additional 368,750 Sponsor Shares as a result of the underwriters' election to partially exercise their over-allotment option in connection with Acies' initial public offering ("Acies IPO"). On June 21, 2021, the Sponsor forfeited an additional 1,657,188 Sponsor Shares in connection with the Business Combination such that an aggregate of 3,724,062 Sponsor Shares are issued and outstanding as of December 31, 2022.

The Sponsor is controlled by Daniel Feters and Edward King as managing members, and one of our directors, James Murren is affiliated with the Sponsor. Additionally, Mr. Pascal, prior to the Closing of the Business Combination, beneficially owned a 9.8% interest in the Sponsor. Mr. Pascal forfeited his interests in the Sponsor and all of the associated Acies Class B ordinary shares and Acies private placement warrants, in connection with the Closing of the Business Combination.

PRIVATE PLACEMENT WARRANTS

Simultaneously with the consummation of the Acies IPO, the Sponsor purchased 4,333,333 private placement warrants at a price of \$1.50 per warrant, or \$6,500,000 in the aggregate, in a private placement. Each private placement warrant entitled the holder to purchase one Acies Class A ordinary share for \$11.50 per share. Additionally, on November 9, 2020, the Sponsor purchased an additional 203,334 private placement warrants, for total gross proceeds to Acies of \$305,000. The private placement warrants may not be redeemed by us so long as they are held by the Sponsor or its permitted transferees. If the private placement warrants are held by holders other than the Sponsor or its permitted transferees, the private placement warrants are redeemable by us and exercisable by the holders on the same basis as the warrants included in the units that were sold as part of the Acies IPO. The Sponsor, or its permitted transferees, has the option to exercise the private placement warrants on a cashless basis.

The private placement warrants are identical to the warrants included in the units sold in the Acies IPO except that the private placement warrants: (i) are not redeemable by us, (ii) may be exercised for cash or on a cashless basis so long as they are held by the Sponsor or any of its permitted transferees and (iii) are entitled to registration rights (including the Class A common stock issuable upon exercise of the private placement warrants). Additionally, the purchasers agreed not to transfer, assign or sell any of the private placement warrants, including the Acies Class A ordinary shares issuable upon exercise of the private placement warrants (except to certain permitted transferees), until 30 days after Closing of the Business Combination.

In connection with the Business Combination, 715,000 of the private placement warrants were forfeited for no consideration. The remaining private placement warrants converted, on a one-for-one basis into warrants to acquire one share of Class A common stock pursuant to the Warrant Agreement.

In addition, in connection with the Acies IPO and the partial exercise of the over-allotment option, Mr. Pascal became the beneficial holder of 522,843 Acies Class B ordinary shares and 449,129 Acies private placement warrants through his ownership of interests in the Sponsor. Mr. Pascal forfeited his interests in the Sponsor and all of the associated Acies Class B ordinary shares and Acies private placement warrants at the Closing of the Business Combination.

REGISTRATION RIGHTS

The holders of the Sponsor Shares and private placement warrants (and any Class A common stock issuable upon conversion of the Sponsor Shares and upon the exercise of the private placement warrants) are entitled

to registration rights pursuant to a registration rights agreement signed October 22, 2020, as amended and restated on June 21, 2021, requiring us to register such securities for resale. The holders of these securities are entitled to make up to three demands, excluding short form demands, that the Company register such securities. In addition, the holders have certain “piggy-back” registration rights and rights to require us to register for resale such securities pursuant to Rule 415 under the Securities Act. We will bear the expenses incurred in connection with the filing of any such registration statements.

TRANSACTION WITH CO-FOUNDER AND CHIEF EXECUTIVE OFFICER

In connection with the Business Combination and Merger Agreement, Andrew Pascal, Co-Founder, Chief Executive Officer and a member of the Board of Directors received shares of our Class B common stock. Shares of our Class B common stock are entitled to twenty votes per share. As a result, as of December 31, 2022, Mr. Pascal owned approximately 9.9% of our outstanding and issued capital stock and had approximately 74.3% of the combined voting power of our outstanding capital stock.

MGM MARKETING AGREEMENT, LETTER OF COMMITMENT, PROFIT SHARE BUYOUT AND PIPE PLACEMENT

We are party to a joint marketing agreement with MGM Resorts International (“MGM”) (as amended, the “MGM Marketing Agreement”). MGM is a stockholder and MGM’s Chief Commercial Officer also serves on the Board of Directors. As consideration for the use of MGM’s intellectual property in certain of our social casino games, we issued 19,200,000 shares of our common stock representing 10% of our then outstanding common stock, and in lieu of royalty payments, we agreed to pay MGM a profit share of up to a mid- to high-single digit percentage of cumulative net operating income, as defined in the MGM Marketing Agreement.

In October 2020, Old PLAYSTUDIOS and MGM agreed to amend the MGM Marketing Agreement to terminate the profit share provision (the “MGM Amendment”). Contemporaneously with the MGM Amendment, MGM delivered to us a Letter of Commitment pursuant to which it committed to participate in the PIPE Financing or other private placement of shares of our common stock for a minimum of \$20.0 million. MGM applied the amount we were obligated to pay MGM under the MGM Amendment to satisfy its commitment, as permitted under the MGM Amendment. In exchange, we agreed to remit to MGM a one-time payment of \$20.0 million, payable on the earliest to occur of (i) the PIPE Financing, (ii) the date that we waived MGM’s commitment to participate in the PIPE Financing, or (iii) two years from the date of the MGM Amendment. As of June 21, 2021, we satisfied all obligations related to the MGM profit share buyout as described below.

In connection with the execution of the Merger Agreement, Acies entered into Subscription Agreements, each dated as of February 1, 2021, with the Subscribers (as defined in the Subscription Agreements), pursuant to which the Subscribers agreed to purchase, and Acies agreed to sell the Subscribers, an aggregate of 25,000,000 Acies Class A Ordinary Shares (the “PIPE Shares”), for a purchase price of \$10.00 per share and an aggregate purchase price of \$250.0 million (the “PIPE Placement”).

At the Closing of the Business Combination, we satisfied all obligations related to the MGM profit share buyout through the issuance of 2,000,000 shares of our Class A common stock to MGM in the PIPE Placement.

ANDREW PASCAL – FAMILY RELATIONSHIPS

Andrew Pascal’s brother, David Pascal, has served as our director of marketing since June 21, 2021 and previously served as the director of marketing of Old PLAYSTUDIOS since October 2012. David Pascal received approximately \$0.4 million, \$0.3 million, and \$0.2 million in salary, bonus, and benefits in 2022, 2021, and 2020, respectively. These amounts include the fair value of 40,750 RSUs and 1,000 options that were granted to David Pascal in 2022 and 2020, respectively.

INDEMNIFICATION AGREEMENTS WITH OUR DIRECTORS AND OFFICERS

The Certificate of Incorporation provides that we will indemnify our directors to the fullest extent authorized or permitted by applicable law. We have entered into agreements to indemnify our directors, executive officers,

and other employees. Under the Bylaws, we are required to indemnify each of our directors and officers if the basis of the indemnitee's involvement was by reason of the fact that the indemnitee is or was a director or officer of the Company or was serving at our request as a director, officer, employee, or agent for another entity. We must indemnify our officers and directors against all expenses, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the indemnitee in connection with such action, suit, or proceeding if the indemnitee acted in good faith and in a manner the indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the indemnitee's conduct was unlawful. The Certificate of Incorporation also requires us to advance expenses incurred by a director or officer in connection with such action, suit or proceeding to the maximum extent permitted under Delaware law. Any claims for indemnification by our directors and officers may reduce our available funds to satisfy successful third-party claims against us and may reduce the amount of money available to us.

AUDIT COMMITTEE REPORT

With respect to PLAYSTUDIOS' financial reporting process, the management of PLAYSTUDIOS is responsible for establishing and maintaining internal controls and preparing PLAYSTUDIOS' consolidated financial statements. PLAYSTUDIOS' independent registered public accounting firm, Deloitte & Touche LLP ("Deloitte"), is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of PLAYSTUDIOS' financial statements. We have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with US GAAP and on the representations of Deloitte included in its audit of PLAYSTUDIOS' consolidated financial statements.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2022 with PLAYSTUDIOS' management and with Deloitte, including the results of the independent registered public accounting firm's audit of PLAYSTUDIOS' financial statements. We have also discussed with Deloitte all matters required to be discussed by the SEC and the Standards of the Public Company Accounting Oversight Board ("PCAOB") for communication with audit committees, under which Deloitte must provide us with additional information regarding the scope and results of its audit of PLAYSTUDIOS' consolidated financial statements.

We have also received and reviewed the written disclosures and the letter from Deloitte required by applicable requirements of the PCAOB regarding Deloitte's communications with the Audit Committee concerning independence, and have discussed with Deloitte its independence from PLAYSTUDIOS, as well as any relationships that may impact Deloitte's objectivity and independence.

Based on our review of the matters noted above and our discussions with PLAYSTUDIOS' management and independent registered public accounting firm, we recommended to the Board of Directors that the audited consolidated financial statements be included in PLAYSTUDIOS' Annual Report on Form 10-K for the fiscal year ended December 31, 2022, for filing with the Securities and Exchange Commission.

James Murren (Chair)
Judy K. Mencher
Jason Krikorian

The foregoing Audit Committee Report shall not be deemed "filed" with the SEC and is not to be incorporated by reference into any filing of PLAYSTUDIOS, Inc. under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed Deloitte & Touche LLP ("Deloitte") as our independent registered public accounting firm for the fiscal year ending December 31, 2023. We are asking our stockholders to ratify the selection of Deloitte as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, we are submitting the appointment of Deloitte to our stockholders for ratification as a matter of good corporate practice and because we value our stockholders' views on our independent registered public accounting firm. In the event that our stockholders fail to ratify the appointment, the Audit Committee will review its future selection of independent auditors. Even if our stockholders ratify the appointment, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interest of PLAYSTUDIOS and our stockholders. Representatives of Deloitte are expected to be present at the Annual Meeting, and they will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

The following table presents fees for professional services rendered by Deloitte for the years ended December 31, 2022 and December 31, 2021 (in thousands):

PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has sole authority to engage and determine the compensation of our independent registered public accounting firm. The Audit Committee also is directly responsible for evaluating the independent registered public accounting firm, reviewing and evaluating the lead partner of the independent registered public accounting firm, and overseeing the work of the independent registered public accounting firm. The Audit Committee annually pre-approves audit services to be provided by Deloitte, and also considers and is required to pre-approve the engagement of Deloitte for the provision of other services during the year. For each proposed service, the independent registered public accounting firm is required to provide detailed supporting documentation at the time of approval to permit the Audit Committee to make a determination as to whether the provision of such services would impair the independent registered public accounting firm's independence, and whether the fees for the services are appropriate. All services provided by Deloitte in the fiscal year ended December 31, 2022 were approved by the Audit Committee in accordance with the pre-approval policies and procedures.

The Audit Committee and the Board of Directors recommend a vote FOR ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2023.
