Greenlane Strengthens Focus on Innovation, Family of Brands and Partnerships for Continued Growth

BOCA RATON, FL / ACCESSWIRE / February 7, 2023 /Greenlane Holdings, Inc. ("Greenlane" or the "Company") (NASDAQ:GNLN), one of the largest global sellers of premium cannabis accessories, child-resistant packaging, and specialty vaporization products, has prioritized its product innovation, family of brands, and strategic partnerships to accelerate company growth and success.

As leaders in the cannabis accessories industry, Greenlane's family of brands offer an extensive product lineup aimed at various consumer demographics, with offerings from luxury glass pieces to artist collaborations to value-driven accessories. With 23 proprietary launches coming in 2023 from house brands including Eyce, DaVinci, Marley Natural, and K.Haring by Higher Standards, Greenlane will have a uniquely innovative year.

Greenlane's newest house brand, Groove, has launched 12 new products providing the market with simple, functional, and reliable ancillary products at an affordable price point. The CARA by Groove, which launched in Q4, is a high quality concentrate pen at a value price, and continues to be highly successful. In addition to the launch of Groove, Greenlane plans to unveil additional new products at CHAMPS in Las Vegas starting February 8th. Upcoming launches include:

- Groove: Glass Line, Bolt 510 Battery, Ripster Electric Grinder, Pivot Aluminum 2 Piece Knob Grinder, Acrylic Grinder, Hi-Pop One Hitter, and the Spark Butane Torch
- DaVinci: MIQRO-C Vaporizer the successor to the MIQRO
- Eyce: Polycarbonate Grinder and the ORAFLEX Shorty & ORAFLEX Rig
- Higher Standards: Has collaborated with long time partner, Banana Bros. to launch the Pearl White Otto

Recently, Greenlane expanded its global reach with strategic market distribution partners including in Latin America, Argentina, Canada, Puerto Rico, and Mexico. These partnerships enable Greenlane to reach consumers globally without the necessity of establishing operations in the locations and are key to Greenlane's strategy to continue to scale its brands worldwide. Additionally, Greenlane's relationships with partner brands including AUXO, CCELL, and Storz & Bickel offer consumers greater access to these innovative and desired products.

"We believe we have a strong and healthy trajectory toward continued success in 2023," said Craig Snyder, CEO of Greenlane. "We continue to be proud of the innovative products coming out of Greenlane and look forward to our ongoing development of products that we know consumers are looking for. By implementing our strategy through innovation, along with the creating and building of new and continued partnerships, we are creating a path of

scalable, leverageable, and durable brands."

About Greenlane Holdings, Inc.

Greenlane is the premier global platform for the development and distribution of premium cannabis accessories, packaging, vape solutions, and lifestyle products. We operate as a powerful family of brands, third-party brand accelerator, and omni-channel distribution platform, providing unparalleled product quality, customer service, compliance knowledge, and operations and logistics to accelerate our customers' growth.

As a pioneer in the cannabis space, Greenlane has an incredible acumen for detecting opportunities in the marketplace. We proudly own and operate a diverse brand portfolio including [DaVinci Vaporizers](#), [Pollen Gear™](#), [Higher Standards](#), [Groove](#), and [Eyce](#). Additionally, Greenlane strategically partners with leading multi-state operators, licensed producers, and brands, such as Storz & Bickel (Canopy-owned), Grenco Science, VIBES, and CCELL, to develop and distribute innovative and high-quality products.

Founded in 2005, Greenlane serves an expansive customer base comprised of thousands of retail locations, including licensed cannabis dispensaries, smoke shops, and specialty retailers. Greenlane also owns and operates [Vapor.com](#) and [VapoShop.com](#), two industry-leading, direct-to-consumer e-commerce platforms in North America and Europe respectively.
