PHOTO ADVISORY: Synchrony, UConn Prepare Students for Cybersecurity Careers

On Thursday, September 20th, Gleb Reznik, deputy chief information security officer at Synchrony and Laurent Michel, professor of computer science and engineering at the University of Connecticut, toured the Synchrony Cybersecurity Center with students at the new UConn Innovation Building located in Storrs, which engages computer science and engineering students to work in collaboration with Synchrony employees. The lab provides a secure computing space for undergraduate and graduate students to work on emerging technologies.
