

Company Overview

Parker Drilling (NYSE: PKD) helps energy companies accomplish their drilling and production goals efficiently, reliably, and safely. Our global team supports oil and gas operators with innovative land and offshore drilling services; premium rental tools and well services; and advanced operations and management support. Founded in 1934, Parker Drilling helps customers manage their costs and mitigate their risks, to achieve their operational goals in a safe and efficient manner. With experience in both harsh-environment regions and complex drilling situations, you can trust Parker Drilling to get the job done.
