# Aethlon Medical to Present at Biotech Showcase 2015

SAN DIEGO, Jan. 8, 2015 /PRNewswire/ -- Aethlon Medical, Inc. (OTCQB:AEMD), the pioneer in developing targeted therapeutic devices to address infectious diseases and cancer, today announced that James A. Joyce, Chief Executive Officer, will present at the Biotech Showcase 2015 Conference on Wednesday, January 14, 2015. Details of Aethlon Medical's presentation are as follows:

Event: [Biotech Showcase 2015](#)

Date: Wednesday, January 14, 2015

Time: 4:00 p.m. Pacific Time / 7:00 p.m. Eastern Time

Location: Parc 55 Wyndham Union Square, San Francisco,  
CA

A live audio webcast of the presentation will be available on the Company's website ([www.aethlonmedical.com](http://www.aethlonmedical.com)) in the Investor Relations section on the Events and Presentations or can be accessed directly at <http://edge.media-server.com/m/p/4cvayawf>. The webcast replay will be available approximately two hours after the presentation ends and will be accessible for one month.

## About Biotech Showcase 2015

The [Biotech Showcase 2015](#) conference takes place January 12-14, 2015, at the Parc 55 Wyndham Hotel located in Union Square, San Francisco, California. Biotech Showcase is an investor and partnering conference devoted to providing private and public biotechnology and life sciences companies an opportunity to present to, and meet with, investors and pharmaceutical executives during the course of one of the industry's largest annual healthcare investor conferences. Now in its seventh year, Biotech Showcase is expected to attract upwards of 1,500 attendees.

### **About Aethlon Medical, Inc.**

Aethlon Medical creates targeted therapeutic devices to address infectious disease, cancer and neurodegenerative disorders. The company's lead product is the Aethlon Hemopurifier®, a first-in-class device that selectively targets the rapid elimination of circulating viruses and tumor-secreted exosomes that promote cancer progression.

Exosome Sciences, Inc. is a majority owned subsidiary that is advancing exosome-based products to diagnose and monitor cancer, infectious disease and neurological disorders. For more information, please visit <http://www.aethlonmedical.com/> and connect with the Company on [Twitter](#), [LinkedIn](#), [Facebook](#) and [Google+](#).

*Certain statements herein may be forward-looking and involve risks and uncertainties. Such forward-looking statements involve assumptions, known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Aethlon Medical, Inc. to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements. Such potential risks and uncertainties include, without limitation, that the ESI will not be able to commercialize its future products, that the FDA will not approve the initiation of the Company's clinical programs or provide market clearance of the company's products, future human studies whether revenue or non-revenue generating of the Aethlon ADAPT™ system or the Aethlon Hemopurifier® as an adjunct therapy to improve patient responsiveness to established cancer or hepatitis C therapies or as a standalone cancer or hepatitis C therapy or as a broad spectrum defense against viral pathogens, including Ebola, the Company's ability to raise capital when needed, the Company's ability to complete the development of its planned products, the Company's ability to manufacture its products either internally or through outside companies and provide its services, the impact of government regulations, patent protection on the Company's proprietary technology, the ability of the Company to meet the milestones contemplated in the DARPA contract, product liability exposure, uncertainty of market acceptance, competition, technological change, and other risk factors. In such instances, actual results could differ materially as a result of a variety of factors, including the risks associated with the effect of changing economic conditions and other risk factors detailed in the Company's Securities and Exchange Commission filings. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.*
