

# Regent Seven Seas Cruises® Installs Starlink Internet Across The World's Most Luxurious Fleet®

**MIAMI September 17, 2024** – [Regent Seven Seas Cruises](#), the world's leading ultra luxury cruise line, has announced that the installation of the world's first and largest satellite constellation, Starlink, has been completed on all six ships in its fleet, providing guests with high-speed, unlimited WiFi as part of the voyage fare.

“We are committed to providing an unrivaled experience for our discerning guests and are delighted to give luxury travelers the ability to share photos and videos, stream films and enjoy other immersive content on board at even faster speeds,” said Andrea DeMarco, President of Regent Seven Seas Cruises.

“As the leaders in all-inclusive ultra-luxury cruising, this installation of Starlink WiFi across our entire fleet will not only improve our guests' ability to communicate with loved ones at home, but also support the ship's operational needs and services.”

Using advanced low earth orbit satellites, Starlink will improve the capacity, speed, and reliability of on-board internet, offering guests a connected and high-speed experience.

As part of Regent's industry leading all-inclusive offering, luxury travelers receive a complimentary log-in per suite which offers unlimited WiFi. Guests may opt to purchase additional suite log-ins and also upgrade the connection to enable passengers to surf, stream and share like never before at sea.

In addition to the included WiFi, guests will enjoy personalized service from a friendly and professional crew, unlimited shore excursions, a range of specialty gourmet restaurants and al-fresco dining venues, fine wines and spirits, world-class entertainment, valet laundry, pre-paid gratuities, and one-night, pre-cruise hotel packages for guests staying in Concierge-level suites and above, all as part of Regent's *All-Inclusive Cruise Fare*. In addition, Regent's *Ultimate All-Inclusive Fares* include roundtrip flights, transfers between airport and ship, and exclusive *Blacklane* private executive chauffeur service for guests to personalize their journeys.
