**About Matthews International Corporation**

Matthews International Corporation operates through two core global businesses – Industrial Technologies and Memorialization. Both are focused on driving operational efficiency and long-term growth through continuous innovation and strategic expansion. The Industrial Technologies segment evolved from our original marking business, which today is a leading global innovator committed to empowering visionaries to transform industries through the application of precision technologies and intelligent processes. The Memorialization segment is a leading provider of memorialization products, including memorials, caskets and cremation and incineration equipment, primarily to cemetery and funeral home customers that help families move from grief to remembrance. In addition, the Company also has a significant investment in Propelis, a brand solutions business formed through the merger of SGK and SGS & Co. Propelis delivers integrated solutions including brand creative, packaging, print solutions, branded environments, and content production. Matthews International has over 4,300 employees in 15 countries on four continents that are committed to delivering the highest quality products and services.
