

Company Overview

Renewable Energy Group, Inc. (NASDAQ: REGI) is a leading provider of cleaner, lower carbon intensity transportation fuels. We are an international producer of biomass-based diesel and are North America's largest producer of advanced biofuel. REG utilizes an integrated procurement, distribution, and logistics network to convert natural fats, oils and greases into lower carbon intensity products. With 14 active biorefineries, technology development capabilities and a diverse and growing intellectual property portfolio, REG is committed to being a long-term leader in transportation fuels.
