Paychex Hosting Web Seminars to Help America's Mid-Sized Businesses Identify Economic Opportunities in HR and Understand Health Reform

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., a leading provider of payroll, human resource, and benefits outsourcing solutions, today announced it will be hosting weekly web seminars to highlight important changes in the business and regulatory environment. These free, 20-minute web seminars will begin on Tuesday, October 4, and focus on economic opportunities in human resources and health care reform legislation for mid-sized businesses (50-5,000 employees).

"We have an entire team of experts at Paychex who spend a great deal of time focused on business and regulatory issues so that we can help America's businesses succeed in this increasingly complex area," said Christian Timol, Paychex Vice President of Major Market Services Sales. "These web seminars provide business owners with the opportunity to gain better understanding of these ever-changing environments and the resources available to them."

Details about the schedule, topics, and registration are included below.

Topic 1: Health Care Reform Legislation for Mid-sized Business

Weekly, Tuesdays at 4:00 p.m. EDT, October 11 – November 29

Topic 2: Economic Opportunities in HR: Total Cost Analysis

Weekly, Wednesdays at 4:00 p.m. EDT, October 12 – November 30

Online Registration:

Interested parties may register online* for one or both web seminars:
