"We are kicking off September with an active events calendar which includes the Gold Forum Americas, one of the world's oldest and largest gathering of precious commodity equities that showcases publicly traded gold and silver companies, and the premier Precious Metals Summit Beaver Creek that focuses on explorers, developers and emerging producers of gold, silver and platinum group metals. These events allow us to join the most influential leaders in mining and mineral exploration along with institutional investors, sell-side representatives and corporate executives. We look forward to sharing the value proposition of U.S. Gold with the investment community and those in the precious metals space while gaining increased exposure for our CK Gold Project," commented George M. Bee, U.S. Gold President & CEO.
