Mr. Cutaia will discuss VERB's industry-leading shoppable video sales tools for livestream ecommerce and why the Company is well positioned for this market's growth. Specifically, he will showcase *Market*, VERB's new 24/7 multivendor interactive livestream shopping platform that is designed to host scores of simultaneous livestream shopping sessions from consumer brands, big-box stores, boutiques, celebrities, and influencers selling products and services across numerous categories. A soft launch of *Market* is planned for this month, with a series of pre-launch events in the works for January and a broader launch planned for February 2022.

Benzinga All Access is a virtual event that consists of a 20-minute in-depth, one-on-one conversation between management teams of growing companies and a Benzinga host, giving companies an opportunity to tell their story and answer questions from a broad investor audience.

FORWARD-LOOKING STATEMENTS

This communication contains "forward-looking statements" as that term is defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve risks and uncertainties and include, without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and may contain words such as "anticipate," "expect," "project," "plan," or words or phrases with similar meaning. Forward-looking statements contained in this press release relate to, among other things, the Company's projected financial performance and operating results, including SaaS Recurring Revenue, as well as statements regarding the Company's progress towards achieving its strategic objectives, including the successful integration and future performance of acquisitions. Forward-looking statements are based on current expectations, forecasts and assumptions that involve risks and uncertainties, including, but not limited to the COVID-19 pandemic and related public health measures on our business, customers, markets and the worldwide economy; our plans to attract new customers, retain existing customers and increase our annual revenue; the development and delivery of new products, including verbLIVE; our plans and expectations regarding software-as-a-service offerings; our ability to execute on, integrate, and realize the benefits of any acquisitions; fluctuations in our quarterly results of operations and other operating measures; increasing competition; general economic, market and business conditions. If any of these risks or uncertainties materialize, or if any of our assumptions prove incorrect, our actual results could differ materially from the results expressed or implied by these forward-looking statements. Investors are referred to our filings with the Securities and Exchange Commission, including our Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, for additional information regarding the risks and uncertainties that may cause actual results to differ

materially from those expressed in any forward-looking statement. All forward-looking statements in this press release are based on information available to us as of the date hereof, and we do not assume any obligation to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on which they were made, except as required by law.
