Harris & Harris Group Portfolio Company, D-Wave Systems, Announces the Sale of Its Latest Quantum Computer to Los Alamos National Laboratory

NEW YORK, Nov. 11, 2015 (GLOBE NEWSWIRE) -- Harris & Harris Group, Inc. (NASDAQ:TINY), an investor in transformative companies enabled by disruptive science, notes that its portfolio company, D-Wave Systems, Inc., announced that Los Alamos National Laboratory will acquire and install the latest D-Wave quantum computer, the 1000+ qubit D-Wave 2X™ system. Los Alamos, a multidisciplinary research institution engaged in strategic science on behalf of national security, will lead a collaboration within the Department of Energy and with select university partners to explore the capabilities and applications of quantum annealing technology, consistent with the goals of the government-wide National Strategic Computing Initiative. The D-Wave 2X system is expected to be installed at Los Alamos in early 2016.
