About urban-gro, Inc.

urban-gro, Inc.[®] (Nasdaq: UGRO) is a fully integrated architectural, engineering, construction management, and cultivation systems integration company for indoor commercial cannabis and food-focused Controlled Environment Agriculture (“CEA”) facilities. With experience in hundreds of CEA facilities spanning millions of square feet across the globe, we design, engineer and integrate complex environmental equipment systems into high-performance facilities. urban-gro’s gro-care[®] Managed Services Platform leverages the company’s expertise to reduce downtime, provide continuity, and drive facility optimization. Operating as a crop-agnostic solutions provider in both food and cannabis CEA sectors, our crop-focused end-to-end approach provides a single point of accountability across all aspects of growing operations. Visit urban-gro.com to discover how we help cultivators *gro plants* and *gro profits*.
