Antero Midstream Partners, LP Announces Filing of Form 10-Q for the Period Ended September 30, 2014

DENVER, Dec. 9, 2014 /PRNewswire/ --**Antero Midstream Partners, LP** (NYSE: AM) ("Antero Midstream" or the "Partnership") today filed with the Securities and Exchange Commission ("SEC") its Form 10-Q for the quarter ended September 30, 2014. The 10-Q reflects the results of operations of Antero Resources Corporation's ("Antero") gathering and compression assets and related operations on a carve-out basis for the period ending September 30, 2014, the predecessor for accounting purposes of Antero Midstream (the "Predecessor").

The financial statements of the Predecessor have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP") on the basis of Antero's historical ownership of the Predecessor assets. These financial statements have been prepared from the separate records maintained by Antero and may not necessarily be indicative of the actual results of operations that might have occurred if the Predecessor had been operated separately during the periods reported.

The Form 10-Q should be read in conjunction with the registration statement on Form S-1, as amended, filed in connection with Antero Midstream's initial public offering.

Antero Midstream Partners LP is a limited partnership that owns, operates and develops midstream gathering, compression and pipeline assets that service Antero's production located in the Appalachian Basin in West Virginia, Ohio and Pennsylvania.

This release includes "forward-looking statements" within the meaning of federal securities laws. Such forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Partnership's control. All statements, other than historical facts included in this release, are forward-looking statements. All forward-looking statements speak only as of the date of this release. Although the Partnership believes that the plans,

intentions and expectations reflected in or suggested by the forward-looking statements are reasonable, there is no assurance that these plans, intentions or expectations will be achieved. Therefore, actual outcomes and results could materially differ from what is expressed, implied or forecasted in such statements.

We caution you that these forward-looking statements are subject to all of the risks and uncertainties, most of which are difficult to predict and many of which are beyond the Partnership's control, related to the gathering and compression business. These risks include, but are not limited to, changes to business plans as circumstances warrant, general market conditions, Antero's drilling and development plan, commodity price volatility, inflation, environmental risks, regulatory changes and the uncertainty regarding future operating results.
