About Coda Octopus Group, Inc.

Originally founded in 1994 as Coda Technologies, the Coda Octopus Group has grown to encompass five companies and is headquartered in New York. All of the Group companies operate within the technology innovation, product development and engineering services sphere with facilities in Washington, D.C., Florida, Utah, New York, the UK and Norway. Alongside providing custom engineering and development to navies, oil and gas, nuclear and medical clients around the world, one of the key products is the Coda Echoscope(TM) -- the first real time 3D subsea sonar. The Coda Echoscope(TM) is the heart of the Coda Underwater Inspection System(TM) being adopted for homeland security in ports around the world. With this patent revolutionizing subsea visualization, and the existing systems integration skills within Colmek Systems Engineering, Inc. and Martech Systems Engineering Ltd., the Coda Octopus Group companies believe they are well on the way to becoming the world's leading integrated sonar technology supplier.
