HASI Announces Pricing Terms of Cash Tender Offer for 3.375% Senior Notes Due 2026 and 8.00% Green Senior Unsecured Notes Due 2027

ANNAPOLIS, Md.--(BUSINESS WIRE)-- HA Sustainable Infrastructure Capital, Inc. ("HASI") (NYSE: HASI), a leading investor in sustainable infrastructure assets, today announced the pricing terms for the previously announced cash tender offer (the "Tender Offer") by its indirect subsidiaries, HAT Holdings I LLC, a Maryland limited liability company ("HAT I") and HAT Holdings II LLC, a Maryland limited liability company ("HAT II," and together with HAT I, the "Company") for notes (collectively, the "Notes" and each a "Series" of Notes) listed in the table below as specified in the Offer to Purchase, dated June 12, 2025 (the "Offer to Purchase") relating to the Tender Offer.

The applicable total consideration to be paid in the Tender Offer for each Series of Notes accepted for purchase was determined by reference to a fixed spread specified for such Series of Notes over the yield (the "Reference Yield") based on the bid-side price of the applicable U.S. Treasury Security, in each case as set forth in the table below (the "Total Tender Offer Consideration"). The Reference Yields listed in the table below were determined (pursuant to the Offer to Purchase) at 9:00 a.m., New York City time, today, June 27, 2025, by the Dealer Managers (identified below). The applicable Total Tender Offer Consideration for each Series of Notes includes an Early Tender Premium of \$30 per \$1,000 principal amount of Notes accepted for purchase by the Company.

In addition, all payments for Notes tendered on or before 5:00 p.m., New York City time, on June 26, 2025 (the "Early Tender Deadline") that are purchased by the Company will also include accrued and unpaid interest on the principal amount of Notes tendered and accepted for purchase from the last interest payment date applicable to the relevant Series of Notes up to, but not including, the early settlement date, which is currently expected to be June 30, 2025 (the "Early Settlement Date").

The following table sets forth the aggregate principal amounts of each Series of Notes that the Company has accepted for purchase and pricing information for the Tender Offer:

- (1) The Series Cap represents the maximum aggregate principal amount of such series of Notes that will be purchased.
- (2) Subject to the Maximum Aggregate Principal Amount, the Series Cap and proration, the principal amount of each series of Notes that is purchased in the Tender Offer will be determined in accordance with the applicable Acceptance Priority Level (in numerical priority order with 1 being the highest Acceptance Priority Level and 2 being the lowest) specified in this column.
- (3) Includes the Early Tender Premium of \$30 per \$1,000 principal amount of Notes for each Series.
- (4) The final proration factor has been rounded to the nearest tenth of a percentage point for presentation purposes.
- (5) Payable for each \$1,000 principal amount of applicable Notes validly tendered at or prior to the Early Tender Deadline and accepted for purchase by the Company and includes the Early Tender Premium. In addition, holders whose Notes are accepted will also receive interest on such Notes accrued to the applicable settlement date.

As previously announced, because the total aggregate principal amount of the Notes validly tendered prior to the Early Tender Deadline exceeded \$700,000,000, the Company does not expect to accept any further tenders of Notes.

The Tender Offer is scheduled to expire at 5:00 p.m., New York City time, on July 14, 2025, unless extended or earlier terminated as described in the Offer to Purchase (such time and date, as it may be extended, the “Expiration Date”).

Notes that have been validly tendered and not validly withdrawn at or before the Early Tender Deadline and are accepted in the Tender Offer will be purchased, retired and cancelled by the Company on the Early Settlement Date.
