# NaturalShrimp, Inc. Announces Fresh Shrimp Delivery to Mardi Gras Event in Northern California

DALLAS, TX, March 06, 2019 (GLOBE NEWSWIRE) -- via NEWMEDIAWIRE -- NaturalShrimp, Inc. (OTCQB: SHMP) announced today that it shipped approximately 275 pounds of fresh shrimp to Northridge Country Club (NRCC) in Fair Oaks, California for its annual Mardi Gras celebration.

Bill Williams, NaturalShrimp, Inc. CEO, commented: “We were very happy to supply and sponsor this great event. In attendance was our CFO, several shareholders and many local business leaders. We will continue to support these types of events with our existing supply of fresh shrimp from our facility in San Antonio, Texas.”

Rink Sanford, General Manager of NRCC, added: “We are very pleased that Natural Shrimp chose to sponsor our sold-out event. The product was the highest quality shrimp that we have ever served at an event. Our membership was very happy with the quality of shrimp that was supplied.”

Darrell Madeira, head chef at NRCC, also commented: “My team was able to prepare the shrimp in a few different ways, including traditional Louisiana style with the heads-on, in addition to peel and eat served alongside our crab legs. I was very impressed with the quality and our ability to prepare the shrimp.”

## **About Natural Shrimp, Inc.**

NaturalShrimp, Inc. is a publicly traded AquaTech Company, headquartered in Dallas, Texas, with production facilities located near San Antonio, Texas. The Company has developed the first commercially viable system for growing shrimp in enclosed, salt water systems, using patented technology to produce fresh, never frozen, naturally grown shrimp without the use of antibiotics or toxic chemicals. NaturalShrimp systems can be located anywhere in the world to produce gourmet-grade Pacific white shrimp.

## **Forward Looking Statements**

This press release contains “forward-looking statements.” The statements contained in this

press release that are not purely historical are forward-looking statements. Forward-looking statements give the Company's current expectations or forecasts of future events. Such statements are subject to risks and uncertainties that are often difficult to predict and beyond the Company's control, and could cause the Company's results to differ materially from those described. In some cases forward-looking statements can be identified by terminology such as "may," "should," "potential," "continue," "expects," "anticipates," "intends," "plans," "believes," "estimates," and similar expressions. These statements include statements regarding moving forward with executing the Company's global growth strategy. The statements are based upon current beliefs, expectations and assumptions and are subject to a number of risks and uncertainties, many of which are difficult to predict. The Company is providing this information as of the date of this press release and does not undertake any obligation to update any forward looking statements contained in this press release as a result of new information, future events or otherwise, except as required by law. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends affecting the financial condition of our business. Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved. Important factors that could cause such differences include, but are not limited to the Risk Factors and other information set forth in the Company's Annual Report on Form 10-Q filed on February 14, 2019, and in our other filings with the U.S. Securities and Exchange Commission.
