

Freedom Boat Club Expands Horizons with Largest Franchise Conference in Company History

Venice, Florida, Nov. 21, 2019 (GLOBE NEWSWIRE) -- Freedom Boat Club, a division of Brunswick Corporation (NYSE: BC) and the nation's oldest and largest boat club and premiere boat club franchisor, has just completed the largest franchise conference in company's 30-year history and its first since being acquired by Brunswick. The theme of the event, Expanding Horizons, celebrated three decades of success with a recognition of the now more than 200 locations and a strong focus on future growth. Over the course of four days, franchisees were able to experience some of the newest and most cutting-edge products in the industry while ordering new boats and engaging with other franchisees and members of the Brunswick leadership team including CEO Dave Foulkes and President of Business Acceleration Brenna Preisser among others.

"It just validated everything we have done and everything we have been doing to get people on the water," said Lisa Almeida - Owner of the Freedom Boat Club Jacksonville. "We bring a lot of people on the water and we turn them into boaters – and owners. It was so nice to see that someone as big as Brunswick understands who we are."

"This conference has been great," said Matt O'Hara, Freedom Boat Club of Lake George. "A couple of Brunswick representatives came to see us recently and I left on fire from that meeting because of the opportunities ahead of us. They showed they want to be a good partner, have a lot of manpower dedicated to us and embrace the Freedom Boat Club culture."

During the conference, franchisees were presented with the opportunity to engage with some of the world's leading boat brands and models from Boston Whaler, Sea Ray, Bayliner, Cypress Cay and more – all powered by Mercury Marine's industry-leading outboard engines – providing the largest breadth of offerings to club owners looking to grow their fleet. In addition to testing new product, the Freedom franchisees were able to participate in a range of strategy sessions presented by Brunswick and Freedom teams about operations, sales, product knowledge and communications. The conference culminated in an 80's themed award ceremony where many franchisees were presented awards based on performance and contributions over the past year, including Franchise of the Year awarded to Dan and Jennifer Hasbrouck from San Diego.
