Forward Air Corporation to Present at the 9th Annual KeyBanc Capital Markets Industrial, Automotive and Transportation conference on June 3, 2010

GREENEVILLE, Tenn.--(BUSINESS WIRE)-- Forward Air Corporation (NASDAQ:FWRD) today announced that on Thursday, June 3, 2010, it will make a presentation at the 9th Annual KeyBanc Capital Markets Industrial, Automotive and Transportation Conference at the InterContinental Hotel in Boston, MA .

About Forward Air Corporation:

Forward Air Corporation operates two business segments, Forward Air, Inc. and Forward Air Solutions, Inc.

Forward Air, Inc. is a high-service-level contractor to the air cargo industry providing time-definite ground transportation services through a network of terminals located on or near major airports in 84 cities in the United States and Canada. It provides these services as a cost-effective alternative to air transportation of cargo that must be delivered at a specific time, but is relatively less time-sensitive than traditional air freight or when air transportation is not economical.

Forward Air Solutions, Inc. is a provider of pool distribution services. Pool distribution involves the consolidation and shipment of several smaller less-than-truckload shipments to a common area or region. Once at the regional destination, the loads are deconsolidated, then grouped with other shipments with common delivery points, and delivered in a very precise, time-sensitive manner. Our pool distribution network consists of terminals and service locations in 19 cities within the Mid-Atlantic, Southeast, Midwest and Southwestern United States.

This press release and the presentation may contain statements that might be considered as forward-looking statements or predictions of future operations.
