Forward Looking Statements

This press release may contain forward-looking statements, including information about management's view of future expectations, plans and prospects for Apollo Medical Holdings, Inc. ("the Company"). In particular, when used in the preceding discussion, the words

"predicts," "believes," "expects," "intends," "seeks," "estimates," "plans," "anticipates," and similar conditional expressions or future or conditional verbs such as "will," "may," "might," "should," "would" and "could" are intended to identify forward-looking statements. In addition, our representatives may from time to time make oral forward-looking statements. Any such statements, other than those of historical fact, about an action, event or development, are forward-looking statements. Such statements are based on the current expectations and certain assumptions of the Company's management. Such statements are, therefore, subject to a variety of known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, which could cause the actual results, performance or achievements of the Company, its subsidiaries and concepts to be materially different than those that may be expressed or implied in such statements or anticipated on the basis of historical trends. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, the Company's actual results, performance or achievements may vary materially from those described in the relevant forward-looking statement as being expected, anticipated, intended, planned, believed, sought, estimated or projected. Unknown or unpredictable factors also could have material adverse effects on the Company's future results. The forward-looking statements included herein are made only as of the date hereof. The Company cannot guarantee future results, levels of activity, performance or achievements. Accordingly, you should not place undue reliance on these forward-looking statements. Finally, the Company undertakes no obligation to update or revise these forward-looking statements to reflect the impact of circumstances or events that arise after the date the forward-looking statement was made, except as required by law, and also takes no obligation to update or correct information prepared by third parties that are not paid for by the Company. You should not place undue reliance on any forward-looking statement and should consider the uncertainties and risks discussed under Item 1A. "Risk Factors" of the Company's Annual Report on Form 10-K for the year ended March 31, 2015 and in any of the Company's other subsequent Securities and Exchange Commission filings.
