# Desktop Metal Founder and CEO Ric Fulop to Present at Upcoming Investor Conferences

BOSTON--(BUSINESS WIRE)-- Desktop Metal, Inc. (NYSE: DM) announced today that Ric Fulop, Founder and CEO, will present at two upcoming conferences.

On Tuesday, August 9, 2022 the Company will participate at the Jefferies Industrials Conference. Mr. Fulop will present at 3:00 p.m. ET.

On Wednesday, August 10, 2022 the Company will participate at the Oppenheimer 25th Annual Technology, Internet & Communications Conference. Mr. Fulop will present at 3:45 p.m. ET.

Webcasts of both conference presentations will be available online from a link at the Events and Presentations section of Desktop Metal's investor relations site, accessible at [ir.desktopmetal.com](http://ir.desktopmetal.com). Desktop Metal recommends registering at least 15 minutes prior to the start of the presentation to ensure timely access. A replay will be available shortly after the conclusion of the live presentation at this same website.

## About Desktop Metal

Desktop Metal, Inc., based in Burlington, Massachusetts, is accelerating the transformation of manufacturing with an expansive portfolio of 3D printing solutions, from rapid prototyping to mass production. Founded in 2015 by leaders in advanced manufacturing, metallurgy, and robotics, the company is addressing the unmet challenges of speed, cost, and quality to make additive manufacturing an essential tool for engineers and manufacturers around the world. Desktop Metal was selected as one of the world's 30 most promising Technology Pioneers by the World Economic Forum, named to MIT Technology Review's list of 50 Smartest Companies, and the 2021 winner of Fast Company's Innovation by Design Award in materials.

## Forward-looking Statements:

This press release contains certain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks, uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to the risks and uncertainties set forth in Desktop Metal, Inc.'s filings

with the U.S. Securities and Exchange Commission. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Desktop Metal, Inc. assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
