Qnity Electronics, Inc. to Host Business Update Webcast Call on Thursday, November 6, 2025 at 4:30pm ET

WILMINGTON, DEL.--(BUSINESS WIRE)-- Qnity Electronics, Inc. ("Qnity"), announced it will hold a business update webcast on Thursday, November 6, 2025, at 4:30 p.m. ET. This will follow the company's planned separation from DuPont de Nemours, Inc. ("DuPont"), expected to be completed on November 1, 2025¹. Qnity is expected to be listed under the ticker "Q" on the NYSE.

During the webcast, Qnity's leadership will provide an update on its business, following DuPont's release of electronics segment results for the third quarter planned for earlier that same day.

Investors can join the conference call via telephone by dialing (800) 343-5172 (domestic) or +1 (203) 518-9856 (international) and use the participant code QNITY. An audio-only live webcast and presentation materials, and replay will also be made available at [Events :: Qnity Electronics, Inc.](#)

¹ On October 15, 2025, DuPont announced that its Board of Directors declared a pro rata dividend all of the issued and outstanding shares of common stock of Qnity. The dividend is expected to occur on November 1, 2025, the distribution date, to DuPont stockholders of record as of the close of business on October 22, 2025, the record date.

About Qnity

Qnity™ is a premier technology provider across the semiconductor value chain, empowering AI, high performance computing, and advanced connectivity. From groundbreaking solutions for semiconductor chip manufacturing, to enabling high-speed transmission within complex electronic systems, our high-performance materials and integration expertise make tomorrow's technologies possible. More information about the company, its businesses and solutions can be found at www.qnityelectronics.com.

Qnity™, the Qnity Node Logo, and all products, unless otherwise noted, denoted with TM or ® are trademarks, trade names or registered trademarks of affiliates of Qnity Electronics, Inc.

Cautionary Statement Regarding Forward-Looking Statements

This release contains forward-looking statements. Forward-looking statements use words such as "plans", "expects", "will", "would", "anticipates", "believes", "intends", "seeks", "projects", "efforts", "estimates", "potential", "continue", "intend", "may", "could", "should" and similar expressions, among others, as well as other words or expressions referencing future events, conditions or circumstances. Statements that describe or relate to DuPont's or

Qnity's plans, goals, intentions, strategies, DuPont's or Qnity's expectations regarding the Spin-Off, and statements that do not relate to historical or current fact, are examples of forward-looking statements. Forward-looking statements are based on our current beliefs, expectations and assumptions, which may not prove to be accurate, and involve a number of known and unknown risks and uncertainties, many of which are out of DuPont's and Qnity's control. Forward-looking statements are not guarantees of future performance, and there are a number of important factors that could cause actual outcomes and results to differ materially from the results contemplated by such forward-looking statements. Additional information concerning these and other factors can be found in DuPont's and Qnity's filings with the U.S. Securities and Exchange Commission, including DuPont's most recent annual report on Form 10-K, most recent quarterly report on Form 10-Q and current reports on Form 8-K and Qnity's registration statement on Form 10. Any forward-looking statement speaks only as of the date on which it is made. Neither DuPont nor Qnity undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
