### **ABOUT VSE CORPORATION**

VSE is a leading provider of aftermarket distribution and repair services for land, sea and air transportation assets for government and commercial markets. Core services include maintenance, repair and overhaul (MRO) services, parts distribution, supply chain management and logistics, engineering support, and consulting and training services for global commercial, federal, military and defense customers. VSE also provides information technology and energy consulting services. For additional information regarding VSE's services and products, visit us at [www.vsecorp.com](http://www.vsecorp.com).

### **FORWARD LOOKING STATEMENTS**

This release contains statements that, to the extent they are not recitations of historical fact, constitute "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. All such statements are intended to be subject to the safe harbor protection

provided by applicable securities laws. For discussions identifying some important factors that could cause actual VSE results to differ materially from those anticipated in the forward-looking statements in this news release, see VSE's public filings with the Securities and Exchange Commission. The forward-looking statements included herein are only made as of the date hereof, and VSE specifically disclaims any obligation to update these statements in the future.
