About Algodon Fine Wines

Algodon Fine Wines are produced at Algodon Wine Estates, a boutique Mendoza winery located in the beautiful foothills of the Sierra Pintadas, in the southernmost region of Argentina's wine capital. Fed by the purest meltwater from the glacial Andes, our 325 acres of vines go back as far as 1946 and produce exceptional fruit on sandy and clay loam. Algodon is one of the only wineries in Argentina that creates wines through a process called microvinification. This process is completed entirely by hand, by our passionate winemaker Mauro Nosenzo, who is assisted by Master of Wine Anthony Foster. Brought together by Scott Mathis and his partners, Algodon Wine Estates' renowned winemakers bring decades of experience, as well as craftsmanship and tradition that have been passed down for generations. Each of our small-batch wines blend the best of those Old World techniques with modern wine-making technology and sustainable, eco-friendly practices to create unparalleled New World varietals. Algodon Fine Wines is wholly owned by Gauchó Group Holdings, Inc. ([gauchoholdings.com](#)), which crafts luxury experiences, properties and

products that celebrate the vibrant and distinctive Argentinian lifestyle. To learn more, visit algodonfinewines.com. To purchase wines in Argentina, please visit AlgodonWines.com.ar.
